Not surprisingly we are well and truly back into our normal routines for this time of year. There is a lot of productive work happening in classrooms right across the school. Years 7 and 9 have just completed the 2014 NAPLAN tests and other Year groups are gearing up for Half Yearly examinations and assessment tasks.

I am now well into my sixth year as Principal at St Clair High, and I’ve been a Principal for 8 years before that, so I’ve seen plenty of “action”. It never ceases to amaze me how much opportunity the students at this school are exposed to, and how eagerly so many of them grasp that opportunity. As I’ve commented previously, I have never been in any position in any school where I’ve seen such a level of dedication of both the teaching and administrative staff. They go way beyond what their job statements describe and we should never lose sight of that, nor of the fact that it is our students – your children, who are the beneficiaries of that. I spend a lot of time every day in and out of classrooms and I am constantly impressed by what I see.

Our school prides itself on providing a comprehensive education and ensuring that our students are not only successful academically, but also in terms of their social skills and citizenship. Our Year 11 students have just returned from the Year 11 Leadership Camp and not only did they have a great time, but we had excellent feedback from the organisers in terms of their behavior and attitude to the program.

On the topic of the school’s performance, our Annual School Report which contains very detailed information about our school, our student profile and achievements, and our academic performance in all external examinations has been completed. The report provides plenty of evidence as to why this school is the school of choice in this area. It is available for download from the school website. I encourage all members of our community to read it as it really demonstrates just how well this school provides a terrific learning environment for the students. Many parents have already downloaded our free St Clair High School phone app. It’s a really quick and easy way to stay in touch and communicate with the school. For those who haven’t downloaded it yet I encourage you to do so. For those who have, an upgrade has recently been completed which can be downloaded from either the Play Store for Androids, or the Apple store for iPhones.

**Congratulations!**

Our student leaders represented our school with great dignity at the ANZAC Day Dawn Service at St Marys RSL and at the St Marys ANZAC march. It is important that our students are involved in and aware of the significance of such events, and equally important that our community is aware of how well our students carry themselves on such occasions.

We have also had a lot of very positive media coverage in both local and metropolitan newspapers, recognising the wide array of student achievements at St Clair High. It’s always a great delight to see our students recognised so publicly.

Chris Presland—Principal

DEPUTY PRINCIPAL’S REPORT

NAPLAN
Year 7 & 9 have completed their NAPLAN testing. Mrs Whittaker and her team organised the tests and provided students with the best opportunities to demonstrate their Personal Best. Results will be available later this year. The results are used as a diagnostic tool to identify areas individual students required extra assistance as well as identify particular strengths and areas for development for the different cohorts.

Year 11 Camp
Mrs Menon and a team of teachers accompanied Year 11 on their Cross Roads Camp at Tea Gardens. The feedback from students was full of praise and extremely positive. Those students who could not attend were provided with an alternate program organised by the welfare team. Congratulations to all staff and students involved.

Digital Citizenship Charter
Students at St Clair High are expected to engage in the use of various electronic devices in their school work and life at school. The electronic platforms that support their learning through the use of technology is ever changing and we therefore expect students to follow the principles as set out in the charter rather than have a set of rules that become out dated as technology changes. This is a timely reminder that the principles behind the Digital Citizenship Charter are supported in law under the Criminal Code Act 1995:

- Section 474.15 Use carriage service to make a threat (kill/serious harm)
- Section 474.16 Use carriage service for a hoax threat
- Section 474.17 Use a carriage service to menace, harass or cause offence

A copy of the charter is included in this Newsletter.

Assessment period
Weeks 5 and 6 of term 2 will see students in years 7-10 involved in a formal assessment period. Many courses will take this opportunity to have students complete their half yearly examinations. Attendance during this period is vital. Students are always invited to use the homework centre for additional support. This is open on Wednesday afternoon. We wish all students every success during this assessment period.

Mobile Phones
Our policy is quite clear – SWITCHED OFF AND OUT OF SIGHT. The underlying reasoning for this policy is because a mobile phone can be a distractor to their learning. For this generation it seems to be a real challenge to ignore the incoming message or the urge to check Facebook posts every 2 minutes or sending messages home to come get them because it is raining or they don’t feel well.

- In class we need our students to focus on the lesson.
- At recess and lunch we feel it is to our students’ benefit to socialise face – to - face with their peers rather than their mobile device.
- If students are sick it is best that they come to sick bay where our friendly staff will contact parents to collect them.
- If it is an emergency please contact the school, then we can ensure your son/daughter is cared for appropriately.
- It is also inappropriate for students to use their mobile devices to record or film other people with out their knowledge or consent.

We would greatly appreciate your support in this matter and for the school policy.

Continue next page:
Kids, social media and privacy
Regardless of your child’s age, the world may already know a lot more about them than you suspect. According to recent research:

- 92% of children under the age of 2 have a digital shadow (- it starts with proud parents posting newborn baby photos on Facebook or Instagram)
- a quarter of Australian children 8 - 12 years old use Facebook, but the minimum age for a user is 13 years.
- more than 20 per cent of tweens publish photos of themselves on Instagram
- young people 14 - 19 have an average of 453 fans, friends or followers on social media.

2014 Privacy Awareness Week, 4 - 10 May 2014, is a good time to review your family’s privacy settings and discuss online security. You’ll find lots of practical information and resources to share with your kids at www.ipc.nsw.gov.au

Printable planners for homework and study
School A to Z has printable monthly planners which include school holidays and the numbered weeks of each Term (for example Monday 19 May is the start of Week 4, in Term 2). Print one for each child to stick on the fridge or on their noticeboards. It’s a great way to teach them how scheduling their time means they’ll to fit in the fun activities as well as their other commitments and responsibilities. Download May 2014 at http://bit.ly/UbmQz8

Wearing of School Uniform - Enclosed leather shoes
Thank you to the many parents who ensure their children come to school in their full school uniform including the wearing of enclosed leather shoes on a daily basis. It is expected that students wear school uniform during school hours, travelling to and from school and when engaged in school based activities out of normal school hours unless indicated otherwise by the Principal. We are fortunate to have a school uniform shop operated on Tuesday by the friendly staff which enables parents to purchase uniform items. You can also purchase second hand uniform from Mrs Beamer at a reasonable price. We as a staff and community actively promote the wearing of school uniform and leather shoes. PE shirts are not a part of regular school uniform and should not be worn to school by students but brought to school and changed into for PE and Sport. Positive comments are made regularly to our students who support the school ethos, have pride in their school and represent it well.

Inadequate footwear can be a Work Health and Safety (WHS) issue for our students and may prevent them from actively participating in their learning and satisfactorily achieving their learning outcomes. For your convenience a copy of the Footwear Guidelines for NSW Government Schools is included in this newsletter as well as the school’s safety requirements for the wearing of Personal Protective Equipment. The responsibility for managing the implementation of a school uniform should be shared by the school, parents and students.

Parent’s Responsibilities
- Ensure your child has their full school uniform
- Encourage and support the wearing of full school uniform

Approach the school if you are experiencing difficulty or you can apply to the school for assistance

Student’s Responsibilities
- Wear their uniform with pride at all times
- Bring their PE shirt and sports shoes to change into for sport and PE lessons

Mrs Shepherd and Mrs Smithard
SAFETY REQUIREMENTS - WEARING THE CORRECT SHOES

The Department of Education and Communities (DEC), through its Work Health and Safety (WHS) Policy, is committed to providing a safe working and learning environment for all students, staff and visitors. In accordance with the Chemical Safety in Schools (CSIS) document, the correct shoes are essential to ensure safety and minimise the risk of injury for all students and are classified as prerequisite Personal Protective Equipment (PPE). Good rubber soles provide a sound grip on the floor preventing accidents such as slips, trips and falls from occurring. Footwear can also protect feet from damage caused by accidents such as falling objects or chemical spillages. It is a condition of entry to identified areas of DEC workplaces that the correct shoes be worn.

At St Clair High School, these areas include, but are not limited to:
- Technology – Wood and Metal workshops, Textiles room and Automotive shed
- Food Technology – Kitchen areas
- Visual Arts – Photography and darkroom areas
- Science – Laboratories

It is unacceptable to allow students in these above mentioned areas without the prerequisite PPE (shoes). Sandals, ballet flats, open footwear, canvas/fabric shoes or high heeled shoes are not permitted in these areas. **If students present for a class or activity with inappropriate footwear the student will be offered alternative educational activities until they are wearing appropriate footwear.**

We care about our students and their safety and would appreciate your support in regards to this matter. When purchasing school shoes please remember to check the tags/stickers inside the shoe or on the box to ensure your chosen footwear is leather. The tag needs to say ‘Upper: Leather’. Shoes with ‘Upper: Non-Leather or Textiles’ are not suitable.

Examples of acceptable black enclosed shoes with a solid rubber sole and leather upper:
WELFARE UPDATE

Important Dates this Term
7-9 May Year 11 Crossroads Program – camp and school based – no lessons
14 May Welfare Conference for staff
19 June Recognition Ceremony
23 June Vaccinations for all Year 7 and Year 9 boys

Rock & Water program
This term our chaplain Josh Piper has started working with small groups of Year 7 & 8 students using the Rock & Water program. This will assist the students develop important skills to allow them to cope effectively.

Year 11 Crossroads
Congratulations to all the Year 11 students who actively participated in the camp and school based program. The reports from the camp staff were glowing about our enthusiastic, respectful and receptive students. Our staff were very impressed with the students and thanks to Laiju Menon, John Brady, Megan Arndell and Stuart Whiley for attending.
The school based program was delivered by a wide variety of staff and thanks must go to Robyn Elks, Kim Annesley, Landon Dowson, Rebecca Owston, Nicola Bennet, Amanda Tannous, Selwyn Brown, Joe Badrov and Chris Presland for all their efforts.

Student of the Term
Our Year Advisers have created a new award to recognize a student each term from their year group who consistently demonstrates their personal best by being safe respectful learners. They will receive a canteen voucher and award and have their name displayed on their Year Adviser’s noticeboard.

Uniform
Second hand uniform is available for $2 per piece. At the present time I have a large supply of microfiber tracksuit pants available in a variety of sizes. Students can see me during the day. Parents can ring up and leave details for me to follow up later.

Regards
Sue Beamer
Head Teacher Welfare

Reforms to P&C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.
Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management.

**Nepean Community College**

Did you know that our school here at St Clair High hosts courses run at night by the Nepean Community College? It’s great fun, very educational and a nice way to meet new people. There are so many programs to choose from including photography, arts and crafts, cooking, computers and heaps more. We are really lucky to be one of only a few schools in the Nepean / Blue Mountains area that is able to offer our community such a service. It all here for you!

For more details go to [www.ncc.nsw.edu.au](http://www.ncc.nsw.edu.au)

---

**Some safety messages – please help!**

From time to time it’s important to remind everyone about some things that need constant attention. We ask every parent for your understanding and support in relation to the following;

- **Full school uniform includes the correct footwear.** No parent should allow their son or daughter to come to school without safe footwear. Fashionable canvas shoes, no matter what colour are not safe and should not be worn to school under any circumstances. Yes, everyone, both junior and senior students!

- **Deodorant sprays are a health hazard to some of our students and staff.** Please understand that some people suffer from Asthma and other related respiratory conditions and spray deodorants can cause a serious risk to them. Please don’t allow your children to bring these to school. Also, if your child does suffer from Asthma we ask that you provide the school with your child’s Asthma Action Plan. Pro-formas are available from our Library SASS staff to assist you in the preparation of this important document.

- **Please be aware that the school day starts at 8-30am.** Students are expected to be at school when the warning bell rings at 8-25am, ready to start period 1 at 8-30am.

---

**Attention all parents of Aboriginal or Torres Strait Islander students**

From time to time our school has the opportunity to advertise for staff via the Department of Education’s Merit Selection Procedures. When this occurs it is very important that the views of our community are taken into account. If you would be interested in sitting on these panels to select staff please let me know. There is a training program that is available and once trained you may be approved by the local AECG to be a panel representative. There is no cost to do the training. Please let me know if you’re interested.

(Chris Presland – Principal)
It’s dangerous!

Deodorant sprays are a health hazard to some of our students and staff. Please understand that some people suffer from Asthma and other related respiratory conditions and spray deodorants can cause a serious risk to them. Please don’t allow your children to bring these to school. Also, if your child does suffer from Asthma we ask that you provide the school with your child’s Asthma Action Plan. Pro-formas are available from our Library SASS staff to assist you in the preparation of this important document.

Managing screen-time

Helping kids find the right balance between activities, homework and screen time is a challenge that only gets harder as they grow older. Commonsense Media has lots of useful resources to help – from movie and game ratings to articles like this one on setting screen time limits that are realistic enough that your children will actually follow them. Read the article here: [http://bit.ly/1pBIfmk](http://bit.ly/1pBIfmk)

Books to boost brains

Literacy skills often progress suddenly in leaps and bounds. The secret is to keep kids of all ages reading over the weekends and school holidays. Even 20 minutes a night can make a huge difference to their reading, comprehension and general knowledge. It’s also a great way to settle their minds down before sleep (for adults too!). If your child hasn’t found a book that grabs their imagination, why not try them on a series book from the Premier’s Reading Challenge list? Here are top suggestions for all ages, including young adult: [http://bit.ly/1dLSGC0](http://bit.ly/1dLSGC0)

Essays due soon?

Learning how to plan, write and polish an essay is a skill that takes a long time for most people to learn. Different types of essays follow different rules of structure. If your teen is currently working on an essay, you’ll find this video (and the links to fact sheets on the right hand side of the page) really useful in explaining the “how to” of essay writing as it’s taught in NSW public schools: [http://bit.ly/1jji1mZ](http://bit.ly/1jji1mZ)
**HSIE NEWS**

Australian Business Week will be launched to Yr 11 at the next year meeting, informing students about the program that will stretch across Terms 3 and 4. This program sees students forming themselves into groups of 10 to tackle the establishment and running of a simulated Café business scenario. During Wk 1 of Term 4, these groups will work towards developing team capability, managing business budgets, writing business reports and creating trade displays to market their company. They will work with a team of staff to develop their skills in decision making, delegation of responsibilities, and teamwork. This program has previously led to St Clair High School receiving multiple National Awards for the project and we look forward to many more in 2014. Students and Care-givers are encouraged to seek additional information about the program from Mrs Quayle, Head Teacher HSIE.

Who can believe we are already in Term 2 of the year! The HSIE staff have been working tirelessly with all year groups, targeting the assessment schedules that will lead into the Semester 1 reporting period. The faculty have created a range of tasks, all of which will be completed within class time and require students working cooperatively with their teachers to meet the course outcomes.

I certainly look forward to ‘playing’ the games that Yr 8 will make detailing global inequities and responses; the Yr 9 Natural Hazards tasks are bound to stimulate plenty of discussion about surviving the unique Australian climate; Yr 10 will dazzle us as they take on the role of Prime Minister and plan the future directions of our nation; whilst Yr 7 will get to explore the historic space of Mamre House and participate in a major field work project that will test their basic geographical skills.

One of the highlights of this term will be the Yr 10 Commerce class “Business Day”, led by Mr Brady. This project will require the students to create, market and operate a business for a day and I look forward to seeing their creations.

With 6 subjects operating across the Senior school in the HSIE Faculty, I have been extremely impressed with the commitment of most of our students to their learning; the application to tasks has been commendable and I urge all to keep up the high standard. With time elapsing quickly for Yr 12, I urge all to seek additional support from their teachers and to make plans to use the Can Do Too Homework Centre to develop good study habits NOW!

Mrs Brenda Quayle
HT HSIE

**LIBRARY NEWS**

The fiction area of the library now has some colourful new seats in which students can comfortably sit and read. Many students are browsing and selecting reading material and enjoying reading on the new ottomans. Promotion of reading is also encouraged by the library through co-ordination of students’ participation in the 2014 Premier’s Reading Challenge.

Mrs Cheryl Saunders
Librarian
In Concert: Sydney Town Hall.

Congratulations to the 13 students from St Clair High School who will be taking part in a concert at the Sydney Town Hall on Monday night. The students include: Jack Williams (Year 9), Liahona Reid (year 8), Jack Armstrong (Year10), Erin Bromley (Year 10), Guy Brooker( Year 12), Samantha Bryant (Year 10), Eboni Embury (Year 10), Kirsten Hardy (Year10), Victoria Lewis (Year 10), Zoe Murray (Year 10), Tahlia Solitua(Year 10), Natassja Swan (Year 10), Paige Williams (year10). The students will have the opportunity to sing with well renowned international vocal group “Idea of North”. Parents are encouraged to google “The Idea Of North. Their vocal skills are amazing, and Mrs Cenda and Ms Whittaker had an opportunity to workshop with these professional singers at the Sydney Conservatorium of Music last term. Our talented music students will be singing works from Handel, to wonderful works from Stevie Wonder that were arranged by “Idea of North”.

Coming events:

In Concert: Monday 19th May - Concert at the Sydney Town Hall. Ticket information below, and check the school facebook page and App.

Year 11 African Drumming Workshop, Friday 30th May Period 2. Note to be sent home.

The Lion King Excursion 6th August. Tickets $70 First in go.

Concert Date: 19 May 2014 Sydney Town Hall @ 7pm.

Tickets on sale now
Adults $35.00
Concession $28.00

Call 82562222 or 1300797118 or visit our web site: www.cityrecitalhall.com
CONGRATULATIONS

Sue Joinson on her Retirement

Term 1, 2014

Sue Joinson has worked for the Department of Education for over 31 years. She began her career at St Marys High School on the 1st October 1982.

In 1985 Sue was appointed to the position of Science Assistant at St Clair High School. Sue was an original member of staff and her first prep room was in a demountable on the temporary site at Fragar Road, South Penrith while the school was being built.

After 20 years in Science, Sue opted for a change of scenery and moved into the UVC office. A far cry from a science assistant but a challenge that Sue enjoyed immensely.

In 2009 the UVC was disbanded and Sue moved into the front office to take on a new set of challenges. Sue became a valued member of the front office team and remained there for the last 5 years of her time at St Clair High.

Sue was well known for her elegance and grace but it was not unusual for her to 'crack the other girls up' with an unexpected witty comment. Sue is a very caring person and a great listener with many profound words of wisdom to offer. She will be greatly missed.

We wish Sue all the best as she settles in to many long, relaxing days with husband Pete.
Learning Support

Learning Support monthly news.

The Learning Support unit at St Clair High School has had some exciting developments over the last month. We would like to welcome Melissa Badrov and Melissa Fanning to the team who have been employed as casual Student Learning Support Officers. They have both been very busy so far this term supporting students in classes.

Mrs Naomi Baker, a learning support teacher and classroom teacher, is currently in the process of interviewing all year 8 students to form Personalised Learning Plans which give the students a sense of purpose for their schooling. Thank you to Mrs Baker for all her efforts.

Year 7 and Year 9 sat their NAPLAN tests on May 13th, 14th and 15th. This year the tests were conducted in classrooms instead of the school hall. While most students tried their best, these test will provide valuable information for the learning support team for the needs of the students at St Clair High School. It was an enormous job in preparing the timetables for these test. Thank you to Miss Ellul, Mr Whiley, Mrs Susnjara, Mrs Evans, Mrs Badrov, Mrs Fanning, Mrs Shaw for all their assistance.

All students should keep a personal homework diary and calendar to organize when assessment tasks are due.

We often get asked by parents “Does my child have homework?” Students always have something to work on, whether its finishing class work, revising for future tests, or preparing for assessment tasks.

Get most of your work done during class time and concentrate on the work that is presented to maximize your understanding of the work.

If you have any questions regarding Learning Support at St Clair High School please contact the school on 02 96706700
Western Sydney
Try’a Skill
23rd & 24th June 2014
Kevin Betts Stadium,
Mt. Druitt

Come and try...

Automotive (Electrical, Mechanical, Panel Beating, Spray Painting)
Construction (Bricklaying, Carpentry, Electrical, Landscaping, Plumbing, Signage)
Client Services (Animal Care, Beauty Care, Child Care, Floristry, Hairdressing)
