It seems extraordinary that we are approaching the end of term 2 and the half way point of the school year! As amazing as that may seem it’s true. Half Yearly examinations, assessment tasks and reports have now been finalised and will be distributed very soon. I would like to acknowledge and thank the teaching and administration staff for their efforts in getting so much of this done so professionally. Our staff works under enormous pressure in all sorts of ways and does an outstanding job.

It’s very rare that I talk about disappointing things in this newsletter, but at times it’s necessary. A big part of my job is managing our workplace. Yes, “workplace”. The students and parents see it as a school, but for the staff who work here, beyond that, it is a workplace subject to the same regulations and expectations as what many of you experience every day. I have a responsibility to assist in providing a safe and healthy workplace for our employees. Like you, they have the right to attend their place of work free from harassment and intimidation. Almost all parents associated with our school are positive and work with us. On some occasions though, that’s not the case. We have recently had a couple of instances of parents attending the school and being extremely abusive of the staff because they don’t like a decision that has been made. That is not OK. It is not acceptable. It will not be tolerated. For the second time in my six years at this school, the behaviour of a parent recently was so extreme that the Police were called and the parent arrested and charged. Such behaviour is not the role modeling we want for any student at our school.

Parents have the potential to play such an important role in supporting the school and in creating a better learning environment for everyone. We need your support. It’s as simple as that. This is your community school and like most things in life “we reap what we sow”.

This is a really important time for our Year 12 students. They continue to impress us in so many ways. As we approach the end of term 2, they approach a period of time of intense study and pressure in the lead-up to their Trial HSC. A clear study plan, keeping up to date with classwork and assignments, and a balanced lifestyle are all key ingredients in a successful outcome. As always with the combined support of families and our school, we can all ensure these students achieve their Personal Best.

Congratulations!

There are always so many amazing things happening here with students involved in Gifted and Talented programs, sporting teams and cultural activities, that it’s hard to know where to start in terms of congratulating students. This is a great school and it is so because of the way our students and staff work together, and the opportunities that are available here to your children. Thank you to everyone who puts in and has a go!

Finally, I would like to congratulate all of those students who will shortly receive awards at the latest Recognition Assembly – it is always wonderful to have the opportunity to recognise the many achievements of our students.

Chris Presland - Principal

Leadership Conference
Over the weekend of the 14th and 15th June, approximately 40 staff from St Clair High School will be attending the school’s Leadership Conference. The conference theme will be “Keep the School Alive”. This will build upon the Learning Conference that was held in term 1; “Keep the Kids Alive on the Inside”. Staff will be reviewing the outcomes that were targeted as part of the school plan 2012-2014 and start to look at developing the next school plan for 2015-2017. We are always proud of the dedication the staff at St Clair High School demonstrate both towards their own professional learning and the learning outcomes of all students.

Half Yearly Examinations
Currently years 7 to 10 are completing their half yearly exams and assessment tasks for core and elective subjects. Following the examination period staff will be finalising student reports for semester 1. Comments will reflect your child’s achievements and provide advice on how they can make improvements to improve their performance. Reports will be issued in week 9. Please contact your child’s class teacher if you have any questions relating to the Semester One reports.

Uniform
The colder weather has caused students to start to wear their winter uniform. The line up at the uniform shop on Tuesdays has indicated to us that students are endeavouring to be in the correct uniform. Students are reminded regularly of the uniform requirements and of the procedures if they are out of uniform. Junior students should wear a maroon fleecy top and maroon micro fibre track pants during winter. Senior students should wear grey long pants and a grey fleecy top during winter. Parents, on the whole, are supportive of our efforts. We take this opportunity to remind all students that the correct footwear for school is leather shoes. This is a Workplace Health and Safety Requirement. Students will be excluded from class if they do not wear correct shoes. Black tights are not part of the school uniform. They are inappropriate and are only to be worn with a school skirt over the top.

A special reminder to our senior students – the Senior School Charter is an agreement between students, parents and the staff at St Clair High School. The Charter provides privileges to our senior students reflecting their maturity and the expectations we place on them as leaders in the school and community. Part of the responsibility of all senior students is to be in the correct school uniform. The Senior School Charter agreement allows for privileges to be withdrawn if senior students fail to uphold their part of the agreement.

School Buses
Students are reminded that free bus travel is provided to them if they live in specified area to allow them to travel to and from school. Behaviour on any bus is expected to be safe and respectful. The bus company always reserves the right to take away a student’s bus pass if their behaviour is deemed inappropriate.

Athletics Carnival
On 26th May, 2014 the school held it’s annual athletics carnival at Blair Oval St. Marys. The unusually warm autumn weather produced a spectacular day for all participants. The day ran smoothly thanks to the organisation by Mr Dowson, the support of the teaching staff and the cooperation and enthusiasm shown by the students from St Clair High School. Congratulations to those students who will participate in the Zone Athletics Carnival.

Record of School Achievement
Below is an abstract from the BOSTES site recording student credentials at different points in time. Often we are asked what students receive if they leave school at the end of year in year 10, 11 or 12. Students in these years can opt to do a literacy and numeracy test. These tests were developed to provide employers with additional information when assessing a potential applicant. The dates of these tests are always published in the Daily Notices. The contact person for these tests is Mrs Whittaker.
Record of School Achievement: What students receive?

While most students complete the Higher School Certificate (HSC) just over 10 percent leave school before the HSC.

They move straight into the workforce and/or to further education opportunities in their chosen field.

In the past, these students would have received their School Certificate with their Year 10 results and no additional information from BOSTES if they went on to participate in some Year 11 or Year 12 courses.

To address the information gap that had existed for students attending school beyond Year 10, BOSTES developed the Record of School Achievement or RoSA, which was first awarded to students in 2012.

The RoSA is a cumulative credential. It details all results for a student up until the date of leaving school. The RoSA has immediate use for students leaving school prior to getting their HSC.

As it is cumulative, the information shown on any given student’s RoSA will change depending on when the student leaves school.

Here is a brief overview of what students will receive:

Successfully completing Stage 5 and leaving at the end of Year 10

These students will receive a RoSA listing their Stage 5 courses with an A to E grade for each course as well as achievement details for any completed Vocational Education and Training (VET) or Life Skills courses.

Leaving during Year 11

Students leaving during Year 11 before they complete any Preliminary courses will receive a RoSA that lists their Stage 5 courses with their results as well as a list of Preliminary courses they participated in and the date they left school.

Leaving at the end of Year 11

Students completing Year 11 will receive a RoSA listing their Stage 5 and Preliminary courses with their results.

Leaving during Year 12

Students leaving during Year 12 before completing their HSC courses and examinations will receive a RoSA listing both their Stage 5 and Preliminary courses with their results and also a list of HSC courses they participated in and the date they left school.

Literacy and Numeracy tests

Students intending to leave school before the HSC can also take voluntary literacy and numeracy tests. These tests were developed by BOSTES in response to feedback from employer groups that evidence of these skills was highly regarded and an important consideration when making employment decisions.

The tests are taken at school and there are two opportunities each year – May and October. It is important that students who would like to leave school before October and want to take the tests let their school know as soon as possible. Students can take the tests and still decide to stay on at school.

As this will be the last newsletter for this semester we would both like to wish all students a wonderful winter holiday. For those heading off with their families on a holiday we wish you safe travels.

Mrs Shepherd & Ms Smithard
WELFARE UPDATE

Important Dates this Term
19 June  Recognition Ceremony
23 June  Vaccinations for all Year 7 and Year 9 boys
25 June  Year 7 Welfare Day – period 2-4
27 June  Get that Job workshop at Bridging the Gap, St Marys

Recognition Ceremony
This is a great tradition at the school where the students are recognized publically for their commitment to their personal best efforts throughout the term. This will be the first time that Year 7 will be involved in this assembly.
Students and guests are reminded that this assembly starts at 8am sharp. Students need to be in full school uniform. A morning tea is provided at the conclusion of this event.
Congratulations to all students who receive this Recognition Awards.

Vaccinations
Please remember to eat breakfast on the morning of 23 June. As always this process will occur in the library. Information will be on the library window and in the daily notices to inform students when they will come to the library.
If students are absent on the day, the Department of Health will mail out a letter explaining what happens in terms of catch up.

Student of the Term
Congratulations to Shannon Biscoe 7, Razeen Mahmood - 8, Stephanie Cururuto – 9, Samantha Ward – 10, Kyle Griffin – 11, Jeremy Bacon – 12 on being chosen for the inaugural Student of the Term by their Year Advisers.

Year 7 Welfare Day
Miss Owston has organized an informative interactive day for Year 7. Students need to come prepared for participating in physical activities as they get an introduction to Rock & Water. They will also have more Peer Support time and Graffiti workshop. A note has been issued to students and the $5 and note need to be returned to the front office ASAP.

Get that Job
Senior students will be given the opportunity to develop their job seeking skills with resume writing and interview practice being provided in St Marys. Students should see me for a note if they wish to attend. Limited places available.

Uniform
Second hand uniform is available for $2 per piece. At the present time I have a large supply of microfibre tracksuit pants available in a variety of sizes. Students can see me during the day. Parents can ring up and leave details for me to follow up later.

Regards
Sue Beamer
Head Teacher Welfare
HSIE NEWS

Australian Business Week

Australian Business Week was launched to all students in Year 11 in the last few weeks and we have already had a number of groups established and team colours selected. Students have been reminded that the best way to secure their team colours is to ensure that all members of the team have paid their deposit for the program to the front office as soon as possible. Students are asked to ensure that the deposit of $70 is made by early Term 3, with the remainder of the payment ($30) due by the end of Term 3. Please get your groups lists to Mrs Quayle or Ms Holt as soon as possible.

Would you like to be involved in the ABW Annual Trivia Night? This is an adults only event, held in the school library on Friday 22nd August 2014. Tables are for 8-10 people at a cost of $10 per head – please contact Mrs Quayle to prebook your table and ensure that you will be part of the fun!

Special Announcement

On August 4th 1914, Britain declared war on Germany. The Australian Prime Minister immediately offered an expeditionary force of men vowing that ‘Australia will defend the motherland to the last man and the last shilling’.

The 18th Battalion Living History Group Sydney, in cooperation with the friends of the Australian Pioneer Village, are pleased to announce an event on August 10 2014. A re-enactment will take place where a vintage 1914 vehicle will be driven into the town carrying an Army Captain. The Captain will address the towns people announcing the army is in need of strong, fit men to go off and fight. He will talk up support for the war.

This re-enactment is a one off! Nothing similar will be done anywhere in Sydney to mark this event.

The entire day is dedicated to Australia’s involvement in the Great War of 1914-18. There will be talks and displays, as well as battle re-enactments where weapons will be fired!

This is a fantastic family day which will be informative and educational for all ages.

Australian Pioneer Village August 10th 1914

Mrs B Quayle
Head Teacher HSIE

LIBRARY NEWS.

The library fiction area now has a new mobile book stand ideal for browsing large books (see attached photos). The recent addition of the colourful and comfortable ottomans provided an appealing space for students to enjoy reading.

Thank you to Peter and Richard, school general assistants, for assembling the new book trolley and to Glen Talbot for dismantling and re-building of new shelving bays in the fiction area which as enhanced students reading experiences.

Mrs. Saunders, Teacher Librarian and Mrs. Moore, Library Assistant.
ENGLISH NEWS

A Poetry Slam Dunk

Poetry. Boring!?
Not when it’s a poetry slam!
Poetry slam or performance poetry is about communicating what you feel and performing your poetry to a live audience.
Over 20 lucky students from Years 7 to 12 had the opportunity to participate in an introductory poetry slam workshop delivered by, Miles Merrill, an experienced Spoken Word Artist from Word Travels, a community arts organisation focused on the promotion of literacy.
Miles performed some of his own poetry (to much laughter and thoughtful silence) to demonstrate to students how they could use their experiences, their voice, facial expression and body language to communicate to and captivate audiences.
Then it was the students’ turn. They told each other stories, listened, asked questions and then had a go. Some students came prepared with poems already written but many others started from scratch. Some were nervous, some were eager and a few were completely freaked out! But by the end of the afternoon, nearly all students had performed their poems in front of an audience.
A spectacular achievement in such a short time span.
The English Faculty would like to thank school librarian Cheryl Saunders and Judith Ridge from West-Words for supporting this initiative. Stay tune, there may be more Poetry Slams round the corner.

Ms Jackie Saisithidej, English Teacher
Year 9 Bushcraft Camp

Year 9 students were lucky to go away for 2 nights and 3 days to Cataract Camp. Students enjoyed a range of activities including abseiling, the giant swing, initiative games, flying fox, caving and the GIANT swing.

As part of their assessment, students were also required to supply and cook their own food and respond to scenarios while out on bush walks. Much fun was had by all and they represented St Clair High School with pride.

Well done Year 9!
Mr Badrov & Mrs Owston
Thank You

Have you had someone thank you for doing a good job at work? It’s nice isn’t it and it tends to lead to even more motivation on your part. What is “school” to you and your children, is “work” to our staff. When was the last time you said “thank you” to a teacher or a member of our fantastic admin team?

Some safety messages – please help!

From time to time it’s important to remind everyone about some things that need constant attention. We ask every parent for your understanding and support in relation to the following:

- Full school uniform includes the correct footwear. No parent should allow their son or daughter to come to school without safe footwear. Fashionable canvas shoes, no matter what colour are not safe and should not be worn to school under any circumstances. Yes, everyone, both junior and senior students!
- Deodorant sprays are a health hazard to some of our students and staff. Please understand that some people suffer from Asthma and other related respiratory conditions and spray deodorants can cause a serious risk to them. Please don’t allow your children to bring these to school. Also, if your child does suffer from Asthma we ask that you provide the school with your child’s Asthma Action Plan. Pro-formas are available from our Library SASS staff to assist you in the preparation of this important document.
- Please be aware that the school day starts at 8:30am. Students are expected to be at school when the warning bell rings at 8:25am, ready to start period 1 at 8:30am.

Nepean Community College

Did you know that our school here at St Clair High hosts courses run at night by the Nepean Community College? It’s great fun, very educational and a nice way to meet new people. There are so many programs to choose from including photography, arts and crafts, cooking, computers and heaps more. We are really lucky to be one of only a few schools in the Nepean / Blue Mountains area that is able to offer our community such a service. It all here for you!

For more details go to www.ncc.nsw.edu.au
Too sick for school?

As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice. School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser www.bit.ly/1hytn2E

Teenagers seeking more independence

Knowing how much freedom and responsibility to give your teenager is difficult, especially if they’re your eldest or only child. To become capable adults, teenagers need to learn to make good decisions on their own and have opportunities to show you they can. The Raising Children Network website has a wealth of expert information and guidance for parents of teens and younger children. If your child is testing the boundaries and pushing for more independence, you may find the article ‘Shifting responsibility to your child’ worth reading.

Go to www. bit.ly/1jCxKhe
Study help for high school

It’s often quite difficult for parents to assist their children with their high school homework and study. Even if we have professional experience in the subject area, children tend to find it difficult to take parental advice when it comes to school. (Don’t feel bad, teachers’ own children do exactly the same thing) www.khanacademy.org is an excellent, not-for-profit website which may help your child study and revise tricky concepts in science, maths and the humanities.

Drama News

Flannofest

This term a collection of talented year 10& 12 Drama students are participating in the Flannofest, an exciting theatre festival run by the Joan Sutherland Centre for Performing Arts. On the 8th of May the students attended a stagecraft day at the theatre where they learnt about lighting, set design and the different elements of production. These dedicated drama students have been spending their Friday afternoons at school rehearsing for the show, which has been titled Cocoa Von RaRa. Ms Robertson has been privileged to work with renowned theatre director Amber Virtue to direct the show.

The performance will be on Friday 27th of June at 12pm and 7pm. If any students would like to support their peers and see the show, they need to collect a permission slip from Ms. Robertson.
Year 12 Drama

Year 12 students have been hard at work on their Individual Projects. The Individual Project requires each student to focus on an area of drama that particularly interests them e.g. scriptwriting, performing, costuming, poster design and directing. On 20\textsuperscript{th} of May Ms Robertson and ex St Clair Drama teacher (now Crestwood) Ms Olmos ran a panel to assess the students’ progress. This was a very productive afternoon session, as the students received valuable feedback on their work.

On the 15\textsuperscript{th} May year 12 Drama attended an excursion at Parramatta Riverside theatre to view \textit{The Laramie Project} by Chalkdust Theatre Company. The show was effectively presented in the verbatim style of theatre. \textit{The Laramie Project} is one of their set texts for the HSC and all of the students agreed that the excursion was extremely valuable in assisting them in understanding how dramatic elements can be used to stage a play.
ART DAY 2014

Art Days were held on Wednesday 4th and Thursday the 5th June 2014. Over two days, seven Aboriginal students ranging from Year 7 to Year 11 were involved in designing and painting a mural on an outside wall in the school library courtyard. The students were helped and guided by teachers, Miss Rainsford and Mrs Saunders. The students worked together collaboratively on the mural, even wearing raincoats on the second day so they could continue the mural as light rain fell. Thank you to Mr Peter Turner for supplying the required paint. The students were Maddison Doyle, Jack Williams, Charmaine Wells, Gabriella Parkins, Heilala Piliu, James Wootten, Kaylee Su and Rebecca James-Barlow. The students are to be congratulated on their wonderful work which has been well received by the school community and many favourable comments have been made.
Well done!!
Miss Rainsford
HOMEWORK
For homework help

Does your child need a hand with homework?

Has an assessment or assignment got them stumped?

What about getting some handy study hints?

Just need a quiet place to study?

- Get your child along to the Homework Centre in the school library.
- Staff will be available to help St Clair High students with their homework, assignments and with study skills.

WHAT: Homework Centre
WHERE: School library
WHEN: Every Wednesday
TIME: 2:35pm - 3:45pm
COST: It’s FREE!
QUESTIONS: Contact Ms Saisithidej (Ms.S) on 9670 6700 at the school.
