At this time of the year the school is heavily involved in evaluating what it has done in the current year, as well planning for the year ahead. It’s an exciting time, and also a very hectic one for all of the staff. 2015 has been a terrific year for our school and we look forward immensely to the opportunities that will be presented in 2016. There is great excitement mounting as we get closer to the final design of our new building. It really is going to be something quite extraordinary!

Our Year 10 students are in the process of working through their yearly examinations and will shortly be engaged in various activities in the lead up to them moving into their years of senior schooling. This includes their “sign out” procedures from the junior school, Graduation Ceremony, return of equipment and payment of outstanding fees before commencing their new subjects in 2016. On the subject of outstanding fees, if any parents are having financial difficulty affecting their ability to meet these obligations please feel free to contact me to arrange an installment agreement and / or Student Assistance. As most parents would by now be aware, we are no longer allowing students to pay for non-essential activities whilst they have outstanding debts, unless an agreement has been reached for financial assistance.

In the weeks ahead the majority of our students in Years 7-9 will be engaged in end of year examinations and / or assessment tasks, in the lead up to the production of Yearly Reports. It is important for all of these students that they are spending time at home studying, reviewing their class notes and focusing upon achieving their “Personal Best.”

I would like to say “Well done” to two groups of students and the teachers who have worked so well with them. Our outgoing Year 12 made us all very proud with the way they conducted themselves at the Year 12 Graduation and Year 12 Formal. They were superb. Now that the HSC has just finished, we look forward to, and anticipate, very strong results in the HSC.

Our incoming Year 12 has recently completed the Australian Business Week (ABW) program and they have already shown a capacity to “step up” to the high standards set by our recent Year 12 cohorts. The way the students committed themselves to the program throughout the week was superb. I would also like to thank the amazing team of staff and community helpers that make this program such a success.

Congratulations!

Our SCHS FUTSAL team has once again represented us at the Australian Titles recently and did a fantastic job under very difficult circumstances. Beyond that though, in terms of the way they conducted themselves, they were tremendous ambassadors for our school. Congratulations and well done to everyone involved.

Congratulations and thanks to our amazing staff. Like many things in life, it’s easy to sit back and be critical or cynical about a school when something goes wrong. We would be the first to admit we’re not perfect, but I guarantee you that I’ve never been in a school that is more determined than this one to continually improve itself for the benefit of the students in our community.

Chris Presland
Principal
DEPUTY PRINCIPALS’ REPORT

Junior Students
A reminder that students in Years 7 to 10 are not permitted to leave the school grounds at any time during the school day (8.25 am – 2.30 pm) without signing out at the Roll Office. Students seeking permission to leave are asked to bring a signed note from a parent that they have signed by one of the Deputy Principals before 8.25 am. The student then shows their teacher the note at the time they need to leave and then sign out at the Roll Office. Students in Years 7 to 10 are not permitted to leave the school grounds during recess and lunch breaks to visit the shopping centre.

HSC Examinations
Year 12 have now completed their HSC examinations and clearance procedures at St Clair High School. They will eagerly await their HSC results in December and their ATAR and University placements. The staff at St Clair High look forward to hearing what pathway this cohort will pursue next.

Year 6 Orientation Day
On Thursday 3rd December our Year 7 cohort for 2016 will be attending the Year 6 Orientation Day. Miss Tannous will be their Year Adviser and has already been working with groups of students in Year 6 along with Mr Whiley to ensure that their transition to High School is positive. The Orientation Day will commence at 9 am in the School Hall. The School Uniform Shop will be operation on this day.

Year 10 into 11 enrolment day
On Thursday 10th December our current year 10 group along with students who are enrolling in Year 11 2016 will be required to attend a clearance and enrolment meeting. This is where we formally welcome our Year 11 cohort for 2016 to St Clair High School and also pass on information regarding school requirements, course requirements, the Senior School Charter and the payment of course costs. The day will be split with students whose surnames start with letters A-K commencing their clearance procedures at 9am and concluding at 9.45am. Their enrolment process will commence at the start of period 2 in the school hall. Students whose surnames start with letters L-Z will commence their clearance process during period 3. The enrolment process for these students will take place during period 4 in the school hall. The School Uniform Shop will be operating on this day. There will be facilities for parents to pay subject fees on this day at the front office. Families who are unable to meet this requirement at this time will be required to enter into an agreement to pay the subject fees at a convenient time or through an instalment arrangement.

Year 10 Graduation Ceremony
The Year 10 graduation ceremony will take place on Monday 14th December at 6pm. Students will need to be at school by 5.30pm in full school uniform. This event for most students marks the transition from the junior school to the senior school. For a small number of students this will be their last formal event at St Clair High School. We wish them all the best in their future endeavours.

Year 12 2016
Year 11 students have now commenced their final year of schooling and are now referred to as the HSC class of 2016... Attendance at every class is one of the keys to success. There are a number of support personnel available to support students during the HSC year these include:

Year 12 2016 Year Adviser: Mr Brady
Year 12 2016 Assistant Year Adviser: Miss Robertson
Head Teacher Welfare: Mrs Owston
Careers Advisor: Miss Bennet
Head Teacher Teaching and learning 2016: Miss Holt
EAL/D Teacher: Ms Saisithidej
Learning Support Teacher: Mr Whiley
School Counsellors: Mr McFadden and Miss Miller
School Chaplain: Mr Piper
Deputy Principal: Mrs Shepherd
Subject Head Teachers can also provide support with specific subject based queries.
Unique Student Identifier
From January 1 2016, all students doing nationally recognized training need to have a Unique Student Identifier (USI). A USI is a reference number which creates a secure online record of nationally recognized training and qualifications gained anywhere in Australia from different training organizations. To learn more, visit:

Changes to VET FEE-HELP
A number of changes have been introduced to the VET FEE-HELP program to ensure that the loan process is transparent as well as ensuring the capability of students before enrolling. You can read more about the changes at the links below:

International Screen Academy: School Holiday Film & Acting Workshop
Mon 11th January – Thu 14th January, 4.00pm, 242 Young Street, Waterloo
Work with award winning director Erin Good to help improve your writing, directing, cinematography and screen acting skills. Available to those aged 15 – 18.

Peer Support
Peer Support is a peer led approach to enhance the mental, social and emotional wellbeing of young people.
Last week students in Year 9 enjoyed a fun day with Mrs Salt and Mr McCarthy for their induction as Peer Support Leaders in 2016. Students developed their leadership and communication skills and learned their roles and responsibilities they will carry out as Year 10 Peer Support Leaders next year. Our Peer Support leaders at St Clair High School play a valuable role within St Clair High School and are wonderful role models for our younger students.

Health Alert – Whooping cough
A member of the St Clair High School community has recently been diagnosed with WHOOPING COUGH (pertussis). Whooping cough is a disease which can spread easily from person to person. In order to prevent your child and other children from catching whooping cough the Public Health Unit would like to inform you that:
1. Full immunisation is the best protection against whooping cough. However, even children who are fully vaccinated can develop whooping cough.
2. If your child has any of the early symptoms of whooping cough, such as a cold or dry cough, then please consult your doctor as soon as possible, and take this letter with you.
3. Your doctor can arrange a throat swab for testing and a course of antibiotic treatment. Antibiotics are effective in reducing symptoms and further spread of whooping cough if commenced within 3 weeks of symptom onset.

Please keep your child at home until they have completed at least five days of the course of antibiotic treatment, or until your doctor advises that they are no longer infectious.

Second hand uniforms
Please remember that uniform is compulsory at our school. Second Hand Uniform is available from the welfare office. If finances are tight please contact me regarding second hand uniform which costs $2 per piece. The easiest way to contact me is via phone. Please ring the school and leave a message indicating what you require to buy and I will return your call ASAP.
Donations of clean, useable uniforms are always welcome at the front office.

Mrs Rebecca Owston
Head Teacher Welfare
New Year 7 Class for 2016—CLI

St Clair High School will be building a brand new learning space in 2016. This space has been designed to encourage new ways of learning: where students learn by working together on team and individual tasks. This will help them build skills that apply not just to the classroom, but to the workplace and beyond.

Some learning spaces in the school have already been transformed to help our students take a more active, collaborative and independent role in their learning.

From 2016, all Year 7 students will have a new subject added to their timetable; “CLI—Contemporary Learning Innovation”. This new class and curriculum have been designed to incorporate inquiry based learning ideas where students will work in teams and independently on tasks that take in elements from many subject areas to solve real world problems. Students will develop skills in problem solving, and creative and critical thinking. This subject will be taught in a learning space that has been designed to enable collaborative learning which integrates technology into all they do. We know our incoming Year 7 students will be as excited as we are about working in these new spaces to become more active, independent and collaborative learners.
MURAMA STUDENT LEADERSHIP TEAM CAMP

Held on 20th October to 21st October, 2015

Last term two of our Year 10 ATSI students, Jack Williams and Lauren Miller, together with the school Chaplain Mr Josh Piper and Miss Rainsford, participated in Murama Youth Leaders Camp. “Murama” means “A Youth led event connecting youth from around Australia and Internationally to celebrate and share Indigenous cultures”. The two day camp was held at Sydney Olympic Park Lodge, Armory Newington, Sydney Olympic Park. The aim of the camp was to build, bond and empower the 2016 Murama student leadership team and develop advance leadership skills and share, collaborate and collect ideas of what our leaders learned from YES Summit for the 2016 Murama Youth Eco Summit in 2016. The days were full of fun and adventure as students participated in an array of Aboriginal Cultural activities and events.

Our first day began with a Welcome to County and Orientation which was presented by Jack Williams and Shannon Foster, Educational Aboriginal mentor. Jack Williams did an outstanding job representing St Clair High School. Our 2nd workshop began with an activity of sharing and getting to know you and team building activities. We then proceeded with a bush resource tour and nature immersion activity with a walk to the Bush Tucker garden at the Armory Newington. This was conducted by Shannon the Aboriginal mentor, where she explained native bush tucker plants and medicinal properties.

In the afternoon the students did a tour of “Behind the Scene” at the ANZ Sydney Olympic Stadium. The students learnt about the history of Sydney Olympic Park and then a tour of the stadium which was enjoyed by all. In the evening Dr John Hunter the Aboriginal elder brought in some amazing Aboriginal Artefacts and spoke about his life.

The second day we attended the “Yes Youth Summit” where our students collaborated ideas and inspiration for “Murama” 2016. A summary of the ideas that came from the “Yes” summit were Performance, Dance, Music, Bush Tucker, Art, Artefacts and Indigenous Culture.

In the afternoon we attended the Awards for the Yes 21st Century Learning Awards where we were presented with 2015 Recognition of Excellent RCE GWS Secondary School winner for Warrawi Yana Nura.

Again Jack Williams did an outstanding job with “Acknowledgement of Country” and the National Anthem in cultural language set the scene for an inspirational YES Awards event. This event concluded with the crowd applauding and encouraging our Murama Youth Leaders cheering them on for the year ahead.

Some safety messages – please help!

From time to time it’s important to remind everyone about some things that need constant attention. We ask every parent for your understanding and support in relation to the following;

- Full school uniform includes the correct footwear. No parent should allow their son or daughter to come to school without safe footwear. Fashionable canvas shoes, no matter what colour are not safe and should not be worn to school under any circumstances. Yes, everyone, both junior and senior students!

- Deodorant sprays are a health hazard to some of our students and staff. Please understand that some people suffer from Asthma and other related respiratory conditions and spray deodorants can cause a serious risk to them. Please don’t allow your children to bring these to school. Also, if your child does suffer from Asthma we ask that you provide the school with your child’s Asthma Action Plan. Pro-formas are available from our Library SASS staff to assist you in the preparation of this important document.

- Please be aware that the school day starts at 8-30am. Students are expected to be at school when the warning bell rings at 8-25am, ready to start period 1 at 8-30am.

Have you changed your address or phone details?
Please let us know the new details immediately.
If you don’t let us know, and something happens to your child requiring us to contact you urgently ....
If there’s an emergency we need to be able to reach you!

In the interest of safety, please help us out!

From time to time it’s understandable that your son or daughter may become unwell at school. We have strict procedures in place to manage these situations. This involves contact by the school administrative staff to a parent, caregiver or emergency contact person. This contact must come through the school, not directly to you from your son’s or daughter’s mobile phone. There have been some occasions when students have used their phone from a classroom (which is in breach of school policy anyway) and asked a parent to come to school to collect them. When the parent arrives, the school is unaware that the student is sick or has called the parent. Please ensure that if your child calls you, that you refer them to the front office and then contact the school to advise them of the call you have received before coming to the school.
Our school U/16 Boys Futsal team recently competed at the Australian Futsal Championships in Brisbane. They performed extremely well in all their games finishing in 6th, position overall. The highlight was their 15-7 win over Port Macquarie HS. Callan Davie was our teams overall leading scorer with 7 goals. The boys displayed excellent sportsmanship and represented the school with pride at all times throughout the competition. Congratulations boys, a fantastic effort!
6 into 7 Transition Program

At St Clair High School we value the relationship with our local primary schools. Year 6 students from surrounding primary schools have been participating in a range of transition programs running every Friday. These sessions aim to develop familiarity with the high school environment including key staff and procedures.

The enthusiastic Year 6 students have been working very well and hard with our teachers to build a safe and respectful relationship with teachers and students. They have participated in a range of activities such as an amazing race tour of the school, team building games and the building of the vertical garden beds which will be displayed in the HSIE courtyard.

It has been a fun and rewarding experience, looking forward to these wonderful Year 6 students making a successful transition into high school in 2016.
Nepean Community College

Did you know that our school here at St Clair High hosts courses run at night by the Nepean Community College? It’s great fun, very educational and a nice way to meet new people. There are so many programs to choose from including photography, arts and crafts, cooking, computers and heaps more. We are really lucky to be one of only a few schools in the Nepean / Blue Mountains area that is able to offer our community such a service. It all here for you!
For more details go to www.ncc.nsw.edu.au

A word of caution!

Most people get pretty excited about the amazing advances we are exposed to in the area of technology. Digital cameras, mobile phones that can do just about anything and cute little listening devices are all amongst the array of things to which we have easy access. Like most things though, there can be a catch.

All students and parents need to be aware that it is potentially a breach of privacy legislation to take photographs or make recordings of any sort without the knowledge of the subject. That is especially the case if the photo or recording is distributed in any way without the consent of the subject. This includes the posting of such images on the internet in places like You Tube or Facebook. Please ensure that your children are aware that they should not take and “post” photos or videos of other people without their consent.

On Wednesday 5 November the Creative and Performing Arts Faculty held their Legends Annual Art, Music and Drama exhibition and awards presentation. Despite the cold and the rain there was a huge turn-out of friends and family. The evening was jammed pack with fantastic performances by our drama and music students and an awesome exhibition of works created by our very talented visual arts, photography and visual design students. It was an evening of entertainment, fun and excitement. A combination of over 60 certificates and prizes were awarded to students who have demonstrated outstanding talent and creativity in the Creative and Performing Arts. Congratulations go to all of our students and in particular to the efforts of St Clair’s talented and inspiring Creative and Performing Arts teachers.

GET JOB READY THIS SUMMER

Hello,

What are your family and friends doing this summer? Why not help them get the Skills that Pays the Bills?

Take up some quick training in November & December to land a summer job or to boost up a resume.

Courses include:
- Bartending
- Barista
- Event Crew
- RSA & RCG
- Any Many more...

Best of all this training could be FREE (must meet eligibility criteria), as part of the NSW Government’s Smart & Skilled Pre-vocational Targeted Priorities and Part Qualifications program.

So what are you waiting for? Call us on 131 870 to Enrol Now or for more info.

Find a course now at http://ws.tafensw.edu.au/courses-and-careers/free-training/summer-skills

FREE TRAINING NOW AVAILABLE!

Hello,

From now until December, we have training available for FREE! Start now and finish in 2015.

In addition, students must also meet the following eligibility requirements:
- Must be 15 years old or older
- No longer at school
- Live or work in NSW
- an Australian citizen, permanent resident, humanitarian visa holder, or New Zealand citizen.

Don’t hesitate as this opportunity is only available for a limited time.

Call us on 131 870 to Enrol Now or for more info.
