By the time this newsletter is published we will be getting close to the end of Term 1. It’s hard to believe because it seems like we only just began the school year. Having said that, we have already covered a lot of ground in 2015. It’s been a very successful start to the year with increases in enrolments in Years 7 and 8, as well as a very stable staffing environment.

We also welcome our new P&C President Jo-anne Taylor. Jo has been an active member of the team for several years and will undoubtedly do a great job. The P&C is a very important part of our school, and we need to keep as many parents as possible actively involved. We especially need some parents of students in the junior years who can learn the ropes now and in the years ahead take on the P&C leadership roles.

There are always so many amazing things happening at our school that it’s hard to know what to include here, so hopefully the pages ahead will give you a sense of what our amazing kids achieve.

Most importantly the school has continued to be a very stable learning environment and the quality of what happens in classrooms each day is of a very high standard. Our teachers and support staff continue to work hard to develop their skills for the benefit of your child. This is particularly so in relation to their ability to incorporate new technologies into the classroom.

We constantly try to find ways to ensure we are providing our school community with access to information and events. On the subject of freely available information our Annual School Report is nearing completion and like all schools it will be released at the start of April. The report contains very detailed information about our school, our student profile and achievements and our academic performance in all external examinations. This year the report will be available for download from the school website. If you would prefer a hard copy please let me know and I assure you we will get one to you.

The other place that contains a lot of useful information is the MySchool website which also compares us with schools of similar socio-educational backgrounds right across the country. Check it out and you’ll see just how well we do here at St Clair!

Congratulations!

I want to make special mention in this bulletin of our “quiet achievers”. This has school has many really talented academic and sporting students, but we’re also blessed with a massive number of students who just go about their daily business with a minimum of fuss. We recognise many of these at our Recognition Assembly (through our merit system) but there are also many others.

Being a Principal has plenty of challenges and crises, but I never lose sight (and nor should every one of you) of the fact that most kids, most days are terrific.

That’s it from me for now. As the Term 1 vacation approaches I would like to thank you for your efforts on behalf of our students and wish you and your family a very safe and happy Easter.

Chris Presland—Principal
Great news for our community!

We were delighted to have a visit last Friday from our local member Tanya Davies and the NSW Treasurer Andrew Constance. We have been advocating for some additional funding, beyond our school’s insurance payout, to ensure our school’s rebuild is bigger and better than ever before. After listening to our plans for an expanded building catering for a range of additional community activities, and visiting the site, the Treasurer made a major commitment.

Tanya Davies, Sally Smithard, Chris Presland, Andrew Constance, Deb Summarhayes

A re-elected Baird Government will invest an additional $3 million to rebuild St Clair High School after the devastating fire which last year destroyed 80 per cent of the school’s infrastructure. “This $3 million will go a long way to ensuring St Clair High School is rebuilt to be even bigger and better than it was before,” Mr Constance said. “The fire last June had a devastating impact on the local community, disrupting students, teachers and families. With this funding, the Baird Government will ensure St Clair High School thrives as a top class learning environment once again.”

The additional funding will:
- Deliver a commercial grade kitchen (enabling the Nepean Community College students to share the space) and cater for other community uses of the school.
- Build a mezzanine level to connect the new build with the existing building.
- Deliver overhanging shade areas to cover more outside areas for wet weather and social spaces.
- Design flexible learning spaces and deliver flexible learning furniture.

Chris Presland, Tanya Davies, Amanda Stannett, Daniel Dabit

Member for Mulgoa Tanya Davies said the additional funding will also ensure the school can cater for the growing needs of families in Western Sydney. “We’re not just replacing what was lost – we’re building for the future so more students can enjoy safe, state of the art facilities,” Ms Davies said.

From our perspective this is great news for our school. We are deeply indebted to Tanya Davies who has worked tirelessly on our behalf to make this dream for our kids a reality.
**Uniform**
As most parents are aware the uniform shop is open Tuesdays from 8.00 am to 1.30 pm. As we move further into autumn and the mornings become cooler, we would like to remind parents and students that grey tracksuit pants are now banned. Junior uniform is burgundy shorts or track pants and senior uniform is grey shorts or cargo pants. Leggings are not part of the school uniform at St Clair High School. Girls have the option of a tartan skirt in summer. Students are reminded regularly of the uniform requirements and of the procedures if they are out of uniform. The majority of parents are supportive of our efforts. We take this opportunity to remind all students that the correct footwear for school is leather shoes. This is a Workplace Health and Safety Requirement. Students will be excluded from class if they do not wear correct shoes.

**Upcoming Events**
A reminder that Parent Teacher night will be held on Tuesday the 25 March 2015 from 3.30pm to 4.30pm in the School Hall. Students will be provided with booking sheets in the upcoming weeks. We would like to meet as many parents as possible to discuss the progress of their child/children. If you are unable to make it on this evening you are always more than welcome to make an appointment with a teacher to discuss your child’s progress.

**INAPPROPRIATE SOCIAL MEDIA USE BY STUDENTS**
As a new school year begins, it is also an important time to be reminded that all students and staff have the right to be safe, to be treated fairly and with dignity in an environment free from violence, disruption, intimidation, harassment, victimisation and discrimination. To these ends, the school’s duty of care extends to instances of inappropriate use of social media by students when communicating with and about each other. From time to time, we will have drawn to our attention communication via social media between students which can be described as threatening, harassing, intended to victimise or an invasion of privacy. Cyber bullying is a term now used to describe that form of bullying which uses text or images posted on personal websites or sent by a social media application, mobile phone or email. Department and school policies and procedures relating to student wellbeing define hostile and abusive messaging conveyed by such means as aggressive behaviour. Consequently, a suspension may be imposed for cyber bullying. Depending on the nature of the material posted or transmitted, students who engage in cyber bullying or use social media in other inappropriate ways may also be committing a criminal offence. It is important for students to understand that they should never send messages or post materials that are intended to threaten, harass or victimise. We would appreciate being informed as soon as possible about instances of cyber bullying. Ensuring the inappropriate messaging or posts are retained, or a copy made, is very useful in instances requiring us to take disciplinary action in response to cyber bullying and inappropriate social media use by students. The Australian Media and Communication Authority website is a useful resource for parents and carers wishing to help keep a child safe online. A variety of useful information and resources can be found in the “Stay Protected” section of the “Citizen” component of the website: [http://www.acma.gov.au/Citizen](http://www.acma.gov.au/Citizen)

**Professional Learning**
Once again the staff have St Clair have demonstrated their commitment to the learning outcomes of students at SCHS with 52 staff again giving up a weekend not only to engage in their own professional learning around teaching in contemporary learning spaces but more importantly to fight for this school, public education and the students. They spent the time reviewing all the consultation regarding the rebuilding of E Block (from parents, from students, from staff) to go back to our architect say we want more. We want more for our kids, our school and our community. We cannot control the payment we get from the insurance company but we can guarantee that the entire staff at St Clair High School is committed to lobby for more. Our goal is to use the insurance pay out as a deposit on the building we think you deserve.

Ms Smithard  Mrs Shepherd  Mrs Quayle
CONGRATULATIONS MRS QUAYLE

I would like to congratulate Mrs Quayle who has been successful at merit selection in her appointment as Deputy Principal at Rooty Hill High School. Mrs Quayle has made great contributions to the students and community of St Clair. Apart from her role as HT HSIE, Mrs Quayle is the Co Deputy Principal, she leads the Australian Business Week team, coordinates the reporting processes and most importantly organises the P&C annual shopping trip. On a personal note, Mrs Quayle provided both Mr Presland and I immense support both personally and professionally following the fire at St Clair High School in 2014.

Ms Smithard

A MESSAGE FROM MRS QUAYLE –

I would like to take this opportunity to say a huge ‘Thank you and Farewell’ to the staff, students and broader community of St Clair High School. Over the last 4 years, St Clair has been my home away from home and often I have spent more time at work than I have with my family. But never, has it felt like ‘work’; never has it been a ‘chore’. I have laughed out loud daily and ranted occasionally; I have enjoyed the trust of the community and the great friendships that are forged when you work so closely with the whole team. St Clair is an innovative and dynamic school, constantly working to meet the demands of the world around it and I have had the great privilege of making a difference every single day. I will miss each and every member of this community and am confident that Mr Brady will do an exceptional job as the Relieving Head Teacher HSIE. Life is full of twists and turns, and I encourage each and every one of you to keep working hard to reach your Personal Best; most importantly, keep getting up when you fall down – it’s worth it! Best wishes and thank you for your support in my time at St Clair High School – St Clair will always have a special place in my heart!

Mrs Quayle
Why is it so hard for some people to just follow the rules?

It’s very rare that I ever focus upon the negatives in our newsletter but sometimes …

Do your kids play club sport on the weekend?
Do they work in a shop? Maybe McDonalds or Red Rooster or Woolworths.
Do you go to work and wear any form of safety equipment?

If you answered “yes” to some of these then you probably also know what happens if you don’t wear what you are supposed to! You can’t play! You can’t work!

School is no different. We have obligations under the NSW Work Health and Safety Legislation and a part of ensuring a safe environment at St Clair High School is the wearing of correct uniform for all students.

As a parent you have a responsibility to send your children to school in accordance with the school rules and that includes fully enclosed, leather shoes. It also means the correct shorts, shirt, polo top or jacket.

In the event of any emergency we, and the Police, must be able to quickly identify our students and if necessary target anyone who is not meant to be in our school grounds. Any doubt about that is simply ignoring the sad reality these days that sometimes … ugly things can happen in our society.

This is simply not negotiable.

Let’s be really clear about this.
If you let your child come to school today wearing something other than correct uniform—you have done the wrong thing.
If you let your child come to school today wearing something other than correct uniform—you are potentially placing your child in a dangerous situation.

The fact is, I shouldn’t even have to write this message …… just do the right thing.

Some safety messages – please help!

From time to time it’s important to remind everyone about some things that need constant attention. We ask every parent for your understanding and support in relation to the following;

- Full school uniform includes the correct footwear. No parent should allow their son or daughter to come to school without safe footwear. Fashionable canvas shoes, no matter what colour are not safe and should not be worn to school under any circumstances. Yes, everyone, both junior and senior students!
- Deodorant sprays are a health hazard to some of our students and staff. Please understand that some people suffer from Asthma and other related respiratory conditions and spray deodorants can cause a serious risk to them. Please don’t allow your children to bring these to school. Also, if your child does suffer from Asthma we ask that you provide the school with your child’s Asthma Action Plan. Pro-formas are available from our Library SASS staff to assist you in the preparation of this important document.
Have you changed your address or phone details?
Please let us know the new details immediately.
If you don’t let us know, and something happens to your child requiring us to contact you urgently ....
**TAFE & Apprenticeships**

**Total Chef: Aspire**
Program Commences: Tue 7\textsuperscript{th} April
Applications Now Open
Total Chef Aspire is a selective program which involves an intensive 8 week course followed by a paid work placement supported by dedicated mentor chefs.
Upon completion of the program, individuals will hold accreditation towards a Certificate II in Kitchen Operations (Basic Cookery).

**Private Colleges**

**AIE Open Day**
Sat 16\textsuperscript{th} May, 10.00am – 3.00pm, Sydney and Canberra Campuses
Open Day will include presentations on different areas of the industry to get into as well as information about AIE full-time and part-time courses and entry requirements. Student work will be on display and AIE teachers will be available to speak to attendees to discuss course options one-on-one.

**Australian National College of Beauty Open Day**
Sun 3\textsuperscript{rd} May, Level 5, 235 Pyrmont Street, Pyrmont
View the campus facilities, speak to lecturers and experience interactive elements of beauty therapy, natural therapies and counselling.
Contact: 1300 885 385
http://www.ancb.edu.au/events/openday-sydney

**Academy of Information Technology Free Day Course**
Intro to 3D Animation: Sat 14\textsuperscript{th} March, 10.00am – 4.00pm
Intro to Film Editing: Sat 14\textsuperscript{th} March, 10.00am – 4.00pm
Intro to Game Design: Sat 14\textsuperscript{th} March, 10.00am – 4.00pm
AIT offers a number of free one day courses to improve participant skills and help prospective students determine their future study direction.

**International College of Management Sydney: Undergraduate Information Evening**
Thu 30\textsuperscript{th} April, 6.30pm – 8.30pm, 151 Darley Road, Manly, Sydney
Get an overview of their courses, an explanation of the application process, and hear directly from students and staff about ICMS.

LIBRARY NEWS

The Premier's Reading Challenge 2015 is now open. Encourage your child to experience quality literature and a love of reading by registering for the Premier's Reading Challenge. The PRC reading list can be viewed on the PRC website and the school library will have a booklet of titles also.

Students must read 20 books chosen from the PRC Reading List before 21st August 2015 with 5 books allowed as personal choice titles.

Student reading records must be entered online and students can also keep a paper copy of their personal reading log. Mrs. Saunders can assist students to register and reading logs must be validated by the school's PRC co-ordinator (Mrs. Saunders) before students are eligible to receive a PRC certificate at the end of the challenge.

Interested students should come and see Mrs. Saunders in the library to receive an information letter, reading log and to register for the 2015 Premier's Reading Challenge.

Mrs. Saunders, Teacher Librarian

Money Matters

Please help us out by paying the General Contribution and Subject Materials Contributions as soon as possible. The latter is of course mandatory.

Everyone needs to understand that education is an investment. It may be tempting to just say “I pay my taxes, so why should I pay any more?”

The reality is that every dollar helps to make a difference at our school. If you go on to the internet and have a look at the resources that are available at the many “rich” schools around the place (both Private and Public) you start to realise what our kids here at SCHS are up against. The simple reality at those “rich” schools is that they are able to purchase things because of the funds their families contribute.

You can choose not to help out, or you choose to help.

It’s your choice, but as with most things that choice has a consequence.
WELFARE UPDATE

The term has been very busy with lots of great events occurring, particularly the Year 7 BBQ, which was well attended. Parents and carers had the opportunity to see the classrooms and speak with the teachers at our school. Again we would like to welcome our new year 7 students and their families to St Clair High School.

Important Dates this Term
16 March Year 6/7 Open night – starts at 6pm
19 March Recognition Ceremony – please arrive at school hall no later than 7.45am
23 March Vaccinations for all Year 7
27 March Harmony Day

Bridging the gap program
This term we have had two great programs run by Bridging the Gap, “I Can” and “Rage”. Both these programs assist our students in goal setting, improving self-esteem and developing resilience and communication skills. We look forward to the next programs run by Bridging the Gap next term.

Second Hand Uniform
Please remember that uniform is compulsory at our school. If finances are tight please contact me regarding second hand uniform which costs $2 per piece. The easiest way to contact me is via phone.
Donations of clean, useable uniforms are always welcome at the welfare office.

Rebecca Owston
Relieving Head Teacher Welfare
Don’t forget to label your child’s belongings

You can:
◆ use a permanent laundry marker to label clothes, hats and shoes, or sew or iron on personalised labels
◆ go through your child’s bag with them each night
◆ check that labels haven’t faded with washing
◆ if something doesn’t come home, ask at the office where your school’s lost property area is.

Parents pool their tips

Ask your child to write all their teachers' names on their timetables and make a copy for the fridge. If they have a mobile phone, have them take a photo of their timetable so they have it with them all the time. Read more tips from experienced parents.

Tips for packing their lunch boxes

◆ Pack food that is easy to open, easy to eat and not messy.
◆ Write their name on their lunch box, water bottle and any other containers.
◆ Include a frozen drink bottle to keep food cold. Wrap it in a tea towel in case it leaks.
◆ Use insulated lunch boxes or cooler bags.
◆ Avoid using plastic wrap because children find it hard to pull apart, paper bags are better for the environment too.
◆ Pack tissues or paper around fruit so it won’t bruise.
◆ Remind your child to wash their hands before eating and use the toilet at recess and lunch.

Ready for high school

Can you recall what you were most apprehensive about when you started high school? This video of Year 7 students explain why teens shouldn’t be worried about starting high school, and how they can get off to a great start in the first few days.

Drama News

On the 6th of February year 11 Drama students headed off to the Seymour Centre to view ONSTAGE, a series of the top HSC performances from 2014. The performances were selected by the HSC markers as the best in the state. The students viewed 8 shows, which consisted of both Group and Individual Performances. Students were also able to see examples of costume and poster design in the foyer of the theatre. Many of the year 11s were astounded by the quality of the acting and the innovative use of dramatic elements. At the end of the day they all felt very inspired and motivated to match the quality of work that they saw. Miss Robertson (Drama Teacher)
IF YOUR CHILD HAS ANAPHYLAXIS SHOULD HE OR SHE CARRY THEIR OWN EPIPEN® OR ANAPEN® TO AND AT SCHOOL?

What is this article about?
If you have told the school that your child is diagnosed a risk of anaphylaxis you should have received a letter from our school asking to assist us to develop a Health Care plan. This article provides more information about anaphylaxis.

What is an EpiPen® and Anapen®?
EpiPen® and Anapens® are the emergency treatment for children who are having an anaphylactic reaction.

What is anaphylaxis?
Anaphylaxis is a severe and sometimes sudden allergic reaction. If your child has been diagnosed by a doctor as being at risk of anaphylaxis there are some important things to remember that will help the school to support your child’s health care needs.

Why you need to keep us informed if your child is diagnosed as being at risk of anaphylaxis or if his or her condition changes. This includes if they have an anaphylactic reaction while not at school.
The school can only respond to risks it knows about. Please keep Mrs Beamer informed so that we can plan to support your child at St Clair High School.

Why you need to provide the school with your child’s current ASCIA Action Plan for Anaphylaxis and an EpiPen® or Anapen® signed by their doctor
The plan sets out the steps the school needs to follow in an emergency. It is essential for us to have this to keep your child safe. We will keep a copy of your child’s ASCIA Action Plan for Anaphylaxis stored with your child’s EpiPen® or Anapen®.

Why it is important to talk regularly with your child about some simple steps to help keep them safe
It is important to regularly talk with your child about when and where they are at risk of contact with the things they are allergic to and how to avoid this. If you have told them not to take part in sharing food at school, regularly remind them of this.
Reassure them that if they do come into contact with something they are allergic to or they feel unwell at school they won’t get into trouble. They need to tell a teacher immediately.

Consider whether your child should carry their own EpiPen® or Anapen®
If your child has been diagnosed with anaphylaxis you can request that they carry their own EpiPen® or Anapen® to school and at school. A request form has been sent home and is also available from Mrs Beamer, our Head Teacher Welfare.
If you request that your child carry an EpiPen® or Anapen® with them to school and at school you will still need to provide the school with at least one additional EpiPen® or Anapen® for storage in a central location within the school and for access by staff in an emergency.
The school will contact you about any request you make for your son or daughter to carry their own EpiPen® or Anapen®.

Why does the school need to know if your son or daughter is carrying their own EpiPen® or Anapen®?
Staff need to know your child carries an EpiPen® or Anapen® in an emergency. For this reason this information will be included in your child’s individual health care plan. They also need to be able to find it quickly so it is important that it be in an easily identifiable and accessible spot (eg. not a locker).

To find out more go to the Department’s public schools website: http://www.schools.nsw.edu.au/studentsupport/studenthealth/conditions/anaphylaxis/index.php
