At the time of writing this month’s newsletter our Year 12 students are in their final weeks of preparation before the Higher School Certificate examinations and the end of their years at St Clair High School. They have been a terrific group of students and we wish them all the best as they study hard in the lead up to the exams early next Term.

I would like to take this opportunity to offer a friendly reminder about payments of school debts. We are of course all coming into a fairly expensive time of year as Christmas approaches and some parents can take the attitude that their child’s school debts can wait until later to be paid. Just keep in mind that these debts mount up and some parents get overwhelmed when they reach the point of finalisation of payments in the senior years. Please let me know if you need to apply for the very limited Student Assistance funds we have, or if you would like to enter into an Instalment Agreement. Keep in mind that Subject charges are not voluntary contributions and must be paid.

We must never lose sight of what matters most, and that is ensuring that every student has access to the best possible educational experience every day. We all share a responsibility in delivering this. As Principal I place a great deal of emphasis with all of our staff on developing the expertise to perform their work to a high standard. I also expect every parent to fulfill their side of the partnership by ensuring that each son or daughter has the necessary material to do their work, brings it to school, is in full school uniform and is ready to work hard every lesson.

On another note, a very exciting event at this time of year is the election of our incoming Captains and Vice Captains. The process we instituted a few years ago is quite rigorous and involves an application, a formal interview, a speech to the whole school and then an election. It is a challenging one for the nominees, but is very valuable for the school. The caliber of every one of the students who nominated for the incoming roles this year was again outstanding. It gives me great pleasure to announce that our new School Captains are Kika Ah Mann and Daniel Platt, and our Vice Captains are Lucy Frame and Jermaine Whitley. This is a great honour for them and I am confident that they will be outstanding ambassadors for our school.

Congratulations!

Once again, well done to the various students who recently won prizes at the Penrith Art Show – we had an absolutely “bumper” year in terms of the number of nominations and the number of winners. They feature a little later in this month’s newsletter, and we are all delighted at their success. The work Mrs Rainsford in particular does with our students in Art Shows is amazing. I would like to make special mention of our outgoing School Captains Amanda Stannett and Shaye Fox, and our Vice Captains Dayle Williams and Connor Jaksa. I am delighted to say that they have done an absolutely fantastic job over the last 12 months. On behalf of the whole school I thank them for their efforts and wish them every success for the future.

Chris Presland
Principal

Junior Students
A reminder that students in Years 7 to 10 are not permitted to leave the school grounds at any time during the school day (8.25 am – 2.30 pm) without signing out at the Administration Office. Students seeking permission to leave are asked to bring a signed note from a parent that they have signed by one of the Deputy Principals before 8.25 am. The student then shows their teacher the note at the time they need to leave and then sign out at the Administration Office. Students in Years 7 to 10 are not permitted to leave the school grounds during recess and lunch breaks to visit the shopping centre.

Year 12 have reached the end of 13 years of schooling in Public Education. Students are excited about celebrating this at their Official Year 12 Graduation and Formal. Beyond this they are preparing for their HSC examinations and planning their futures beyond school. The Deputy Principals wish them good fortune and success in their future endeavours.

In addition all three Deputy Principals would like to publicly acknowledge the work of the teaching staff. It is a privilege to be allocated a Year 12 class in your teaching load. The staff at SCHS have worked beyond expectations to show case their personal best to guide, teach and support all year students. We would also like to recognize Mrs Menon; the Year 12 year adviser and Mrs Tasir; the Year 12 Assistant Year Adviser for the work and support of year 12.

Year 11 will be completing their Preliminary HSC course examinations in Weeks 9 & 10 of Term 3. They will start their HSC year in Term 4, following Australian Business Week. Given the number of commendation letters that are being mailed out, Year 11 students have applied themselves to their studies throughout the year and should be congratulated on the hard work they have put into preparing themselves for their HSC Year. Year 11 begin Term 4 with Australian Business Week that has become a “rite of passage” into their final year of schooling. We look forward to working with them over the next 12 months.

Australian Business Week will launch the Term 4 curriculum for the new Yr 12 cohort (currently completing Yr 11). This program is designed to engage all students in business enterprises that will allow them to demonstrate their skills in planning, team work, cooperation and creativity. We look forward to seeing the teams in action during that week and also thank the business sponsors from the local community who have kindly offered their services to support and mentor our students.

At the Term 3 Recognition Ceremony we recognised and celebrated the achievement of a large number of students. These students have shown diligence and talents in a wide range of endeavours. In addition we continue to recognise the achievement of students in our Gifted and Talented programs led by Mrs Laju Menon. We were proud to see the range of talents demonstrated in the various programs. Well done.

On the weekend of the 29th and 30th August over 40 staff attended a weekend conference in Cronulla focussing on teaching programs for 2016 and beyond. This year the staff have engaged in extensive professional learning on contemporary learning and inquiry based learning to better engage students and focus more on the skills required to work and participate in the 21st century. In 2016 the Year 7 cohort will commence a new subject with a focus on problem based learning and inquiry based learning. More information will be provided throughout Term 4.

As this is the last newsletter for Term 3, we would like to wish all students and their families a wonderful and safe holiday. Year 12, study, study, study!

Ms Smithard               Mrs Shepherd         Ms Dane
Important Dates this Term
Week 9 & 10 Years 7-10 completing Tell Them From Me online survey during class
14th September Gatehouse Girls Day
16th September Year 12 Graduation
17th September Year 12 Formal.

Recognition Ceremony
Congratulations to all the students who received their awards at the recognition ceremony on Thursday 3rd September. It’s always pleasing to see so many of our students being recognised for their academic and/or personal and social growth.

Year 12
The end of this term is also the completion of schooling for our Year 12 students. On behalf of the Welfare Team I would like to wish them every success in their endeavours after the HSC. Mrs Laiju Menon has provided excellent support and guidance to this year group as their Year Adviser Mrs Latchmi Tasir has done a great job in the role of Assistant Year Adviser. I would like to pass on my sincere thanks for all their efforts.

Health Alert
There has been a reported case of Whooping Cough at our school. Whooping Cough usually begins like a cold with a blocked or runny nose, tiredness, mild fever and a cough. The cough gets worse and severe bouts of uncontrollable coughing can develop. If you are concerned, please make an appointment with your GP.

Jersey Day
On September 4 staff and students at St Clair High School wore jerseys to show their support for the DONATELIFE network and begin the conversation with their friends and families about organ donation.

JERSEY DAY is a simple concept designed to raise awareness of The Organ and Tissue Authority and the DONATELIFE network.

JERSEY DAY has been inspired by the story of NATHAN GREMMO who was tragically lost in an accident in May 2015. Nathan’s family chose to give the gift of life to others to honour the legacy of Nathan’s generous personality.

This campaign is all about raising awareness.

Year 10 excursion - Bstreet smart

This term, Year 10 went to All Phones arena to attend the Bstreet smart presentation as part of their Welfare and PDHPE program.

For the last nine years, Westmead Hospital has held Bstreet Smart, an injury prevention program, to students in Years 10 to 12 in all government and non government high schools in NSW and the ACT.

The forum provides students who are most at risk, a realistic look at the trauma caused by road crashes and gives them information and strategies in an attempt to reduce serious injuries and deaths.

As well as attending the presentation, our students were able to view displays from a wide range of interactive exhibits including:

- Westmead Hospital's Emergency Department
- Brain Injury Unit and Brain Injury Association
- Organ and Tissue Donation & Transplant Australia
- Drug and Alcohol Health Promotion Team
- The NSW Police
- Fire and Rescue NSW
- NSW Ambulance Service
- Careflight
- NSW Centre for Road Safety and Crash Lab
- St John Ambulance Australia (NSW)
- State Emergency Service
- Australian Red Cross Blood Service
- Wheelchair Sports NSW.

Our Year 10 students had a wonderful day as well as receiving vital information to assist them in making informed decisions when it comes to road safety.
SWEET TREATS FROM THE KITCHEN

It’s all Happening in Home Ec

There have been many decadent desserts being prepared and served in the Home Economics classrooms this semester.

**Year 7 Technology Mandatory** have been familiarising themselves with our kitchen and learning how to be **safe cookies**. They have prepared an array of simple recipes such as Pizza, Anzac biscuits and Pasta Bolognaise.

**Year 8 Technology Mandatory** students have been busy preparing and styling sweet dishes suitable for food photography. The unit aims to assist students to develop their food presentation skills and to use **Technology** in the kitchen.

The students in **Year 9 Food Technology** have become aware of current nutritional issues and have prepared a variety of delicious, nutritious meals such as Speedy beef stir fry, Open cheeseburgers and cheese and spinach triangles.

Our ever keen **Year 10 Food Technology students** have further extended their knowledge of Food Technology by formulating and preparing a variety of new dishes through their involvement in Food Product Development.

Meanwhile our **Senior students** have perfected a range of meals and desserts in order to further enhance their already brilliant food preparation skills.

**From pies to stir frys**, our talented Food Tech students never fail to amaze us with their outstanding practical work and their excellent organisational skills.

A friendly reminder of the **WHS requirements in Home Economics** - enclosed leather shoes and a clean white apron are required before entering the kitchens. We would also like to remind parents and students that food is ordered up until Week 5 each term for the entire class and then (after Week 5) only provided to students who have made a contribution towards their fees. Alternate written theory work, relating to the practical lesson, will be provided by the teacher for those students who are not participating in practical lessons.
Unique Student Identifier
From January 1 2015, all students doing nationally recognized training need to have a Unique Student Identifier (USI). A USI is a reference number which creates a secure online record of nationally recognized training and qualifications gained anywhere in Australia from different training organizations. To learn more, visit: http://www.usi.gov.au/Pages/default.aspx

Apprenticeships and Traineeships

Day in the Life of a Beauty Therapist Workshop w/Australian National College of Beauty
This workshop will provide you with a taste of what it would be like to work in the exciting field of Beauty Therapy. You will get a chance to learn about make-up artistry, aromatherapy, manicure, massage, and the retail skills needed to help you follow your dream career in Beauty Therapy. Saturday 26 Sept, 9:30-12:30PM. Tickets $20. http://

Defence Work Experience Program
Young Australians interested in a career in Defence can apply for the work experience program to get a taste of what working for the Australian Defence Force or Australian Public Service is like. https://defencecareers.nga.net.au/cp/index.cfm?event=jobs.listJobs&audiencetypecode=defenceworkexp

Want more information on Apprenticeships and Traineeships…?
On the 26<sup>th</sup> of June, Year 11 Drama students performed for Flannofest at the Joan Sutherland Performing Arts Centre. The theme of this year was *Timepiece*. The students’ show, *Moments* was a thoughtful performance about the significance of moments in their lives. The piece was contemporary in style and included music, movement and multimedia. This year we won the Technical Award, for use of technical production to the greatest effect. Congratulations to the following students who were involved in the show: Erin Bromley, Eboni Embury, Lucy Frame, Victoria Lewis, Keshni Nand, Emily Power, Nastassja Swan, Harmony Tahana-Reneti, Charmaine Wells.

Ms Robertson
(Drama Teacher)
“Year 8 Pathways to Dreaming Cultural Experience Day 2015”

Our Year 8 ATSI students together with the school Chaplain Mr Josh Piper and Mrs Pendespiti participated in their first Pathways to Dreaming experience on Wednesday the 12th of August 2015.

The day was full of fun and adventure as students participated in an array of Aboriginal Cultural activities.

UWS Pathways to Dreaming coordinators, mentors, elders and other presenters put together six different workshops that our students participated in throughout the day.

Our day began with a “Welcome to Country” by Uncle Wes and was followed by a traditional smoke ceremony. For some of our ATSI students this was their first experience of such a special and sacramental ceremony. Uncle Wes lead the ceremony as a well respected elder in the Western Sydney ATSI Community. He took students on a journey of the origin of this ceremony, discussed how native shrubs such as the Eucalyptus leaf were used during such ceremonies. Students were then given the opportunity to walk through the smoke, symbolic of a cleansing experience.

Our workshop activities began with traditional Aboriginal dancing, followed by custom beading, storytelling by Uncle Wes, history of the Didgeridoo and traditional wood carving and tool making. Our Year 8 students did an outstanding job representing St Clair HS as they were actively involved in all sessions, asking questions and contributing to group discussions. They were engaged and learnt more about their Aboriginal culture.

Our Year 8 ATSI students look forward to commencing their regular visits and involvement with the UWS Pathways to Dreaming Mentor Program in 2016.
Some safety messages – please help!

From time to time it’s important to remind everyone about some things that need constant attention. We ask every parent for your understanding and support in relation to the following:

- Full school uniform includes the correct footwear. No parent should allow their son or daughter to come to school without safe footwear. Fashionable canvas shoes, no matter what colour are not safe and should not be worn to school under any circumstances. Yes, everyone, both junior and senior students!

- Deodorant sprays are a health hazard to some of our students and staff. Please understand that some people suffer from Asthma and other related respiratory conditions and spray deodorants can cause a serious risk to them. Please don’t allow your children to bring these to school. Also, if your child does suffer from Asthma we ask that you provide the school with your child’s Asthma Action Plan. Pro-formas are available from our Library SASS staff to assist you in the preparation of this important document.

- Please be aware that the school day starts at 8:30am. Students are expected to be at school when the warning bell rings at 8:25am, and remain in the supervised area of the main quadrangle, ready to start period 1 at 8:30am.

Have you changed your address or phone details?
Please let us know the new details immediately.
If you don’t let us know, and something happens to your child requiring us to contact you urgently ....
If there’s an emergency we need to be able to reach you!

In the interest of safety, please help us out!

From time to time it’s understandable that your son or daughter may become unwell at school. We have strict procedures in place to manage these situations. This involves contact by the school administrative staff to a parent, caregiver or emergency contact person. This contact must come through the school, not directly to you from your son’s or daughter’s mobile phone. There have been some occasions when students have used their phone from a classroom (which is in breach of school policy anyway) and asked a parent to come to school to collect them. When the parent arrives, the school is unaware that the student is sick or has called the parent, and is sometimes abusive of our office staff for not being aware of the situation. This abuse is in itself totally unacceptable.
Please ensure that if your child calls you, that you refer them to the front office and then contact the school to advise them of the call you have received before coming to the school.

Too sick for school?

As the season changes from winter to spring, we often see a jump in people with various viruses. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice. School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser www.bit.ly/1Hytn2E
Students seeking information for assignments and research projects are able to use www.worldbookonline.com both at school and at home. The log in ID: stclair and password: stclair (both the same).

This resource works best with Google Chrome or Mozilla Firefox and the latest update to Internet Explorer. Worldbookonline is constantly updated to keep content relevant.

World Book Advanced is tailored for the needs of older students and integrates primary and secondary source databases plus more than 5,500 e-books. Over 700 e-books can be downloaded to e-readers and iPads.

World Book Student has thousands of reference articles and links to outside web sites. It also includes a dictionary, atlas, audios, visuals and animations.

World book online may also be accessed through the student DEC portal. Click on the Oliver Library icon (purple square located near google logo ) and the link is on the Oliver library home page (left hand side ).

Please encourage students to use this helpful educational resource.

Mrs. Saunders,
Librarian
The Gifted and Talented Program in school provides opportunities for students to participate in a wide range of competitions and to challenge their potential, in their area of interest. All students had the opportunity to enter in the ICAS Competitions in English, Mathematics and Science. ICAS is the largest independent competition and assessment program for schools in Australia conducted by the University of New South Wales.

The following students received special recognition for their achievements.

**ICAS Science**
Thomas Wells - Distinction - His score places him in the top 5% of year 11 participants in Australia
Lachlan Evans - Credit - His score places him in the top 19% of year 9 participants in Australia
Timothy Hilton - Merit - His score places him in the top 42% of year 8 participants in Australia

**Big Science Competition:**
This competition provides an opportunity for all students to gain a measure of their own achievement in an external testing situation. Over 46000 students from 582 schools registered for this competition in 2015. The following students received recognition for their achievement.

Thomas Wells- Distinction
Lachlan Evans - Credit
Timothy Hilton - Credit

**AURECON Bridge Building Competition**
On the 11th August, year 9 students Jackson Cooper and Safeer Husain competed in the Aurecon Bridge Building Competition. Competing against 55 schools across NSW and ACT including private, selective and catholic schools, the boys performed amazingly well. Their bridge held 28.9Kg, gaining them the 4th place. Their dedication, commitment and skills demonstrated during the preparation phase before the competition day was reflected in their great result. St Clair High School is very proud of these two students and their achievement.
The 172nd Annual Penrith Show was held on the 28th and 29th August 2015 at Penrith Showground.

There were 67 budding artists from years 7-12 who entered their Artwork in the Penrith Show’s Art Exhibition from St Clair High School. The categories ranged from Drawing, Painting, Printmaking, Ceramics, Photography and Digital Photography. Prize ribbons and Certificates for all of these categories were awarded to a number of our students.

Chloe Spiteri of year 8 received 1st place, Dakota Ashby received 2nd place and Sarah Allen 3rd place in Printmaking. Patricia Manuel of Year 10 received, 1st place, Rebecca Schmitz 2nd in hand building. Hannah Teau of year twelve received, 1st place, Shaye Fox 2nd in Digital Photography. Patricia Manuel of year 10 came 3rd in Printing/Collage. The students also received 22 Highly Commended Awards in various art categories.

I also won two 1st and one 2nd place in hand built Ceramic and Clay Sculptures.

Congratulations to all students who submitted Artworks and received Awards, Certificates and prizes.

Ms Doris Rainsford  
(Visual Art Teacher)
Nepean Community College

Did you know that our school here at St Clair High hosts courses run at night by the Nepean Community College? It’s great fun, very educational and a nice way to meet new people. There are so many programs to choose from including photography, arts and crafts, cooking, computers and heaps more. We are really lucky to be one of only a few schools in the Nepean / Blue Mountains area that is able to offer our community such a service. It all here for you!
For more details go to [www.ncc.nsw.edu.au](http://www.ncc.nsw.edu.au)

**VALID Science 8 - Online Science Skills**

Weeks 5-6 9-17\textsuperscript{th} November 2015 in allocated lesson

Students are asked to demonstrate their:

- knowledge and understanding of science
- understanding and skills in the process of scientific investigation, which includes
- using a simulated experiment
- ability to evaluate evidence, make judgements and think critically
- ability to access information and communicate scientific ideas using a variety of strategies.

**What are the results used for?** VALID Science 8 provides parents and schools with valuable information about the performance of individuals and groups of students. The test’s purpose is to raise community awareness about science education by informing parents and schools about what students know and can do in aspects of science. The data is intended to be used to improve learning and teaching of science for all students. The test results provide information about student achievements which are used to support teaching and learning programs.

**Materials required by students**

For the Online test, students must bring

- their internet **user name and password**
- **headphones/earbuds** that plug into the school’s computers.

Students are permitted to bring, if they wish:

- blank working paper
- a pencil or pen but **no paper can be removed** from the test environment.
As part of our St Clair and Erskine Park Schools (STEPS) learning community initiatives, the primary and high schools of the St Clair area joined together for the second year running to celebrate Book Week 2015.

This initiative invited a selected group of 28 talented students from our Years 7 and 8 cohorts to participate in a discussion forum analysing and celebrating the books that were shortlisted for Book Council of Australia’s ‘Children’s picture book of the Year’ for 2015. The wonderful students selected to participate in the STEPS Book Forum engaged in a range of activities in preparation for the Book Forum event including:

- Producing a Book Trailer and promotional artwork installation celebrating our school’s selected picture book “One Minute’s Silence” by David Metzenthen
- Group sessions whereby students analysed each picture book in detail extending visual literacy and public speaking skills

This year the official Book Forum event was hosted at Blackwell Primary School on Tuesday the 25th August with the esteemed Jackie Hawkes, former Teacher Librarian and forever friend of St Clair High School assuming the role of moderator for the event. Jordan Morrison of Year 7 and Emily McMillan of Year 8 were eager representatives of St Clair High School on stage for the official book forum session. Both girls confidently discussed the themes, messages, language and visual literacy elements of each book. They were both an absolute credit to our school and we should all be very proud of them. Their thoughtful discussion demonstrated the pure joy of reading and appreciating books.
In addition to this the other selected students operated in teams, drawing upon their artistic and technological talents to produce a truly moving book trailer and evocative artwork installation which were celebrated during the book forum event. The STEPS Book Forum 2015 is another fabulous local schools initiative and we look forward to the next book forum in 2016!

Well done St Clair High!!

Miss Holt, Mrs Saunders and Miss Currie
Our Year 10 ATSI students Jack Williams and Lauren Miller together with the school Chaplain Mr Josh Piper and Ms Rainsford visited Taronga Zoo.

The day was full of fun, discovery, engagement, inspiration, knowledge and storytelling by Aboriginal educational officers. The focus for the visit was connecting students with nature through sustainability. The students learnt about habitat and knowledge of the Australian animals such as green tree frog, emu, kangaroo, quokkas, lizards and birds and their spiritual connection to the animal totems. The students also experienced “behind the scene of the lizards” which is very rare to the general public. The students experienced very special knowledge by an Aboriginal Educational Officer who explained how to help threatened species to breed and protect their genetic diversity, plus help to reintroduce animals back into the wild and at the same time, transforming ourselves into a centre for conservation for education and inspiration. The students were able to touch the animals. He showed us rare turtles, tortoise, lizards, snakes, rare frogs, plus we also viewed the feeding of the carnelians which was incredible, brilliant in colour and full of personality. Wow!! they were fast in eating those crickets.

The students will never forget their Zoo experience which connected the students with nature and encouraged all to take action for the environment. Our students did an outstanding job representing St Clair High School as they were actively involved in all sessions, asking questions and contributing to group discussions. They were engaged and learnt more about their Aboriginal Culture.

HOMEWORK
For homework help

Does your child need a hand with homework?

Has an assessment or assignment got them stumped?

What about getting some handy study hints?

Just need a quiet place to study?

- Get your child along to the Homework Centre in the school library.
- Staff will be available to help St Clair High students with their homework, assignments and with study skills.

WHAT: Homework Centre
WHERE: School library
WHEN: Every Wednesday
TIME: 2:35pm - 3:45pm
COST: It’s FREE!
QUESTIONS: Contact Ms Saisithidej (Ms.S) on 9670 6700 at the school.
