Many thanks to all of our staff, students and parents for helping to get the new school year off to a very positive start. 2015 saw many improvements and an array of outstanding events, the last of which was an extremely impressive Presentation Evening in December. I am confident that 2016 will build upon the achievements of last year and that St Clair HS will continue its long tradition of providing an excellent education for the young people of our local community. Always keep in mind that this school is your local high school and is proud to be so. We’re already off to a great start this year, with a bumper enrolment in Year 7. In fact with Year 7 we are restricting enrolment at the moment to local residents only.

I’d like to thank almost every parent for the excellent response re school uniform. As I have said several time now, unfortunately we are living in a time and place in which there is a much higher risk of emergency situations occurring at any time on any day. School is no exception. The wearing of full school uniform is now considered a major safety issue for all of us. Please don’t let us down.

We do have one desperate area of need. Our P&C team has provided outstanding service to our school for years, but it is time for some new parents to take up the reins. Our strongest P&C supporters are at the stage where their children have now, or will soon be, finishing Year 12. One of the new state-wide P&C requirements is that the President etc must have children at the school.

The P&C is incredibly important to us and we want to ensure that we can keep it running, but to do that, we need some new people to put up their hand. Our next meeting is Tuesday 16th February and we start at 7pm in the Common Room. Please come along and help out. It is important that you regularly visit our school website and Facebook and also to ensure you have downloaded our free SCHS Phone App. These all contain lots of information, updated calendar and access to heaps of resources from both the school and the Department. When you put all of that together, plus our SMS texting system, we could never be accused of not trying to communicate with you! Keep in mind though, it’s a two way street – you have obligations too to keep up to date and to keep us informed of any issues affecting your child.

For parents new to our school, we produce this newsletter twice per term and notify parents of its availability on the website via a text message. That’s just one of the many reasons why it’s important that we have your most up to date contact information, including mobile phone number. I encourage you to read the newsletter closely as it contains a lot of information about the school, upcoming events and reports on what our students have achieved.

Congratulations!

We have now received all of the details from our 2015 Higher School Certificate as well as updates of the students who have been accepted into Uni. The Class of ‘15 was a great group of students and we are very proud of their achievements. That’s it from me for now. 2016 will be an even more successful year for St Clair High as we all work to deliver on our ongoing goal of “Personal Best’ for everyone.

Chris Presland - Principal
Ms Smithard, Mrs Shepherd and Miss Dane would like to welcome all students and their families back to an exciting and productive year in 2016. We would also like to welcome our families new to St Clair High School. There are many opportunities for all students to participate in engaging, interesting and relevant activities throughout the school year. The start to the school year has been excellent with students and staff commencing lessons quickly and effectively.

School uniform has been excellent at the start of the year. A reminder that grey track pants or black leggings are not part of the uniform at St Clair high school. Senior students are reminded that their school uniform is grey shorts NOT maroon. The school uniform shop is open Tuesdays 8.00am to 1.30pm. Students are expected to be in full uniform every day. If they are out of uniform they need to provide a note from a parent. Leather shoes are imperative and a WHS requirement for students.

To our new parents you may have seen our school gathering at the netball courts. This is part of our emergency evacuation procedures and is a legal requirement that we perform two drills throughout the year. Previously, the evacuation point was the top oval but given the position of the demountables the school will continue to evacuate to an area across the road from the school.

Year 7 began their year with a Peer Support Day organised and co-ordinated by Mrs Salt, Mr McCarthy, Mrs Owston, Miss Tannous, Miss Mansour and led by the Year 10 Peer Support Leaders. There were a lot of nervous faces at the beginning of the first day of High School but by the end of the day there was an atmosphere of excitement and enthusiasm to start classes. Students were familiarised with the location of classrooms and got to meet many of their class teachers. The two week timetable was explained and what to do if students had any issues throughout the year. Congratulations to Mrs Salt, Mr McCarthy, Miss Tannous, Miss Mansour and the Peer Support Leaders for their time and effort in organising Year 7 student’s first day at High School.

A reminder to parents of Year 7 students that there is a BBQ organised for Monday 23rd February. This event will provide parents with the opportunity to meet the staff in an informal setting. Miss Tannous will provide more information to students.

The first parent teacher interview evening has been set for Tuesday 5th April. More information about this evening will be provided closer to the date.

Years 11 & 12 are off to a great start to 2016. Year 12 are now focusing on their studies towards the HSC credential that will open up opportunities and possibilities beyond school. Year 11 are at the start of this journey. The executive teachers at the school have been delivering the Senior School Charter Seminars that outline the purpose of the Senior School Charter and point out the implications of the charter to all students. The expectation is that all Senior students will be leaders throughout the school and this is reflected in the way they take pride in their achievements and in the way the school community sees them.

The school swimming carnival will be held on Friday 19th February. We look forward to an exciting day. Thank you to the PDHPE team led by Mr Badrov for their organisation of this event.

The vast majority of students should be congratulated for their punctuality to school and to class during the school day. Classes begin at 8.30 am with a warning bell sounding at 8.25 am. Some students are however loitering in the shopping centre car park. This puts them at risk as vehicles move around them and also causes congestion when they all try to enter the school when the warning bell sounds. Please emphasize with your child/children that they should make their way into the school grounds and into the quadrangle at the beginning of the school day.

School photos will take place on Friday 26th February. Information packages will be sent home with students shortly. All enquiries should be directed to Mrs Ralph or the Science faculty.

Parents are reminded that the school has an App which can be downloaded. The App can be downloaded from iTunes or Google Play. This can be a source of information for families, along with the school website, school Facebook page and the text messaging system.

The deputies wish all staff, families and students a great year at St Clair High School.
UNIFORM

It’s very rare that I ever focus upon the negatives in our newsletter but sometimes …

Do your kids play club sport on the weekend?
Do they work in a shop? Maybe McDonalds or Red Rooster or Woolworths.
Do you go to work and wear any form of safety equipment?

If you answered “yes” to some of these then you probably also know what happens if you don’t wear what you are supposed to! You can’t play! You can’t work!

School is no different. We have obligations under the NSW Work Health and Safety Legislation and a part of ensuring a safe environment at St Clair High School is the wearing of correct footwear for all students.

As a parent you have a responsibility to send your children to school in accordance with the school rules and that includes fully enclosed, leather shoes.

This is simply not negotiable.

If you or your children are unable to abide by the school rules, please feel free to contact me so that we can discuss what options may be available to you elsewhere.

Money Matters

Please help us out by paying the General Contribution and Subject Materials Contributions as soon as possible. The latter is of course mandatory.

Everyone needs to understand that education is an investment. It may be tempting to just say “I pay my taxes, so why should I pay any more?”

The reality is that every dollar helps to make a difference at our school. If you go on to the internet and have a look at the resources that are available at the many “rich” schools around the place (both Private and Public) you start to realise what our kids here at SCHS are up against. The simple reality at those “rich” schools is that they are able to purchase things because of the funds their families contribute.

You can choose not to help out, or you choose to help.

It’s your choice, but as with most things that choice has a consequence.

Parents pool their tips

Ask your child to write all their teachers' names on their timetables and make a copy for the fridge. If they have a mobile phone, have them take a photo of their timetable so they have it with them all the time. Read more tips from experienced parents.

Benefits of team sports

If you want your child to grow up to be a confident and well-adjusted adult, then team sports may well be the answer. Benefits include learning how to be more resilient, and being less likely to feel isolated.

Ready for high school

Can you recall what you were most apprehensive about when you started high school? This video of Year 7 students explain why teens shouldn’t be worried about starting high school, and how they can get off to a great start in the first few days.

Watch the videos: http://www.schoolatoz.nsw.edu.au/wellbeing/development/what-happens-in-year-7 get off to a great start in the first few days.

Some safety messages – please help!

From time to time it’s important to remind everyone about some things that need constant attention. We ask every parent for your understanding and support in relation to the following;

- Full school uniform includes the correct footwear. No parent should allow their son or daughter to come to school without safe footwear. Fashionable canvas shoes, no matter what colour are not safe and should not be worn to school under any circumstances. Yes, everyone, both junior and senior students!
- Deodorant sprays are a health hazard to some of our students and staff. Please understand that some people suffer from Asthma and other related respiratory conditions and spray deodorants can cause a serious risk to them. Please don’t allow your children to bring these to school. Also, if your child does suffer from Asthma we ask that you provide the school with your child’s Asthma Action Plan. Pro-formas are available from our Library SASS staff to assist you in the preparation of this important document.
- Please be aware that the school day starts at 8-30am. Students are expected to be at school when the warning bell rings at 8-25am, ready to start period 1 at 8-30am.

Don’t forget to label your child’s belongings
You can:
- use a permanent laundry marker to label clothes, hats and shoes, or sew or iron on personalised labels
- go through your child’s bag with them each night
- check that labels haven’t faded with washing
- if something doesn’t come home, ask at the office where your school’s lost property area is.

Tips for packing their lunch boxes
- Pack food that is easy to open, easy to eat and not messy.
- Write their name on their lunch box, water bottle and any other containers.
- Include a frozen drink bottle to keep food cold. Wrap it in a tea towel in case it leaks.
- Use insulated lunch boxes or cooler bags.
- Avoid using plastic wrap because children find it hard to pull apart, paper bags are better for the environment too.
- Pack tissues or paper around fruit so it won’t bruise.
- Remind your child to wash their hands before eating and use the toilet at recess and lunch.
- Pack a water bottle for your child each day and remind them that they can also get water from the taps or bubblers throughout the day.

Have you changed your address or phone details?
Please let us know the new details immediately.
If you don’t let us know, and something happens to your child requiring us to contact you urgently ....
If there’s an emergency we need to be able to reach you!
Teaching someone to drive can be a happy experience.

You can learn all the simple steps on how to teach a learner driver at a FREE two hour workshop.

The next workshop in your area will be held:

Year 6/7 Coordinator (Year 7 Adviser in 2017): Mr Aaron McCarthy

Please contact the Year Adviser if you are concerned about a wellbeing issue, if it is subject specific please contact the classroom teacher of the student.

Counsellors
We are fortunate to have two school counsellors at St Clair High School. Mr Steve McFadden is available every Monday and Thursday week B. Miss Sarah Miller is available on Wednesday and Fridays. Please feel free to contact our counsellors with any concerns regarding your child’s wellbeing. Students may also self-refer using the Counsellor Referral box at the front office.

Important Dates this Term
23 February Year 7 Welcome BBQ students, parents and staff at 5.30pm.
15 March Information night for year 7 2017
17 March Recognition Ceremony
24 March Harmony Day
29 March Year 7 Vaccinations 1st dose

Year 7 Peer Support - Day 1, 2016
What a great introduction to high school! Year 7 had lots of challenges and laughter with their fabulous Year 10 Peer Support leaders who gave up a day of their holidays to be involved. Teachers enjoyed the experience of being introduced to their classes in a fun and interactive way. Special thanks to our wonderful Peer Support Coordinators, Mrs Ros Salt and Mr Aaron McCarthy, for their organisation and Miss Amanda Tannous, Year 7 Adviser and Miss Amanda Mansour, Assistant Year 7 Adviser for all their support.

Year 7 BBQ
Don’t miss out on the opportunity to meet teachers and your child’s new friends at the Welcome BBQ on Tuesday 23rd February. The evening will commence at 5.30pm with a tour of your child’s classrooms. For catering purposes, please ensure your note is handed into Miss Tannous in the HSIE staffroom.

Recognition Ceremony
The first recognition ceremony for 2016 is a wonderful opportunity to remind ourselves about how important it is to recognise when we are achieving our ‘personal best’. Years 8-12 can expect invitations in week 7 to this great celebration. Year 7 will be invited in Term 2.
Looking forward to working with our school community in 2016.

Kindest regards
Rebecca Owston
Head Teacher Welfare
Welcome back to school for another year. There are many events, information sessions and people to talk to about your future, here is just a few!

**Western Sydney University Campus Experience (Campbelltown Campus):**
12\(^{th}\) April 2016, 3pm

The Campus Experience is for interested students, their families & friends to meet current students and find out more about university. Let them know you plan to go at

**Changes to VET FEE-HELP**
A number of changes have been introduced to the VET FEE-HELP program to ensure that the loan process is transparent as well as ensuring the capability of students before enrolling. You can read more about the changes at the links below:

**Western Sydney Pre Apprenticeships – Free Courses**
These courses are for students who want to get into an apprenticeship. They are the theory part of your apprenticeship. If interested, you MUST attend the relevant Information Session

**Electrotechnology** at Mt Druitt College in Feb/March. Call Eric on 9466 5424 or 0419 534 866 eric.milne@aigroup.com.au

**Carpentry** at Nirimba College from 15\(^{th}\) Feb. Call Steve 0417 236 707 or email Steve@tabma.com.au

**Australian Institute of Fitness**

**‘Monty Dortkamp Scholarship’:**
Applications close 1\(^{st}\) March

The Monty Dortkamp scholarship is awarded to students wishing to pursue a career in fitness either from a disadvantaged background or committed to bring health and fitness to disadvantaged communities. The scholarship covers the tuition cost of a Master Trainer qualification, Certificate III in Fitness and Certificate IV in Fit-

**JMC Academy Open Day**
30\(^{th}\) April 2016, 10:30am to 2:30pm

The open day includes tours, overview of courses prospective students may be interested in, and to listen and view current students work.

http://www.jmcacademy.edu.au/events/open-days/

**Careers Corner**
Welcome back to school for another year. There are many events, information sessions and people to talk to about your future, here is just a few!

**Apprenticeships and Traineeships Information**
This NSW Government run website provides information on apprenticeships and traineeships. There are also links to further information on apprenticeship providers, rules and regulations, financial help, school based apprenticeships and many more relevant topics.

HSC Showcases and Exhibitions:
These exhibitions are examples of excellent works from last year’s HSC students. They are a great way for you to see what might be required of you, if you are studying in these areas.

**ART EXPRESS:** Margaret Whitlam Galleries, University of Western Sydney (5th February – 6th May)

**Design Tech:** Year 12 (29th February – 4th March); Year 11 (17th – 18th March & 21st – 23rd March)

**Encore:** Sydney Opera House: 22nd February 2016

**InTech:** Sydney Timber & Working with Wood Show, Sydney Showground Homebush (24th – 26th June)

**OnStage:** Seymour Centre (6th – 12th February)

**Texstyle:** The Stitches and Craft Show, Rosehill Gardens (3rd – 6th March)

**Discover Your Career**
An online career resource developed by the National Tourism Alliance with the support of the Federal Government to promote tourism and hospitality career pathways.

**Defence Jobs Australia Information Sessions**

- Online – 11th February, Submariners Facebook Q and A
- Parramatta – 16th February, Gap Year Information Session
- Newcastle – 16th February, Army Reserve Information Session
- Wollongong – 16th February, Army Reserve Information Session
- Parramatta – 18th February, Trade Careers Information Session
- Newcastle – 22nd February, Women in Defence Information Session
- Canberra – 23rd February, Submariner Careers Information Session and Aviation Careers Information Session

Various information sessions are run about the job opportunities the

**Operation Art and Art Express Official Openings**

The Visual Arts faculty will begin the New Year with the celebration of two fantastic events, the first being Operation Art. Laura Gage and Sarah Ralph both students of Year 11 will have their Year 10 art work on exhibition at the Art Gallery of NSW. The official opening is on Wednesday 17th February 3.30pm and closes on 13th March 2016.

Our second event is Art Express. Olivia Allanson has had her HSC Body of Work selected for this prestigious exhibition. The official opening will be on Monday 29th February 6.00pm and will close on 24th April 2016. This event will be held at the Armory Gallery, Building 18 Newington Armory, Jamieson Street, Sydney Olympic Park. Everyone is invited to view both these exhibitions. You will be supporting our students and the Visual Arts

Ms Pozzolungo
Head Teacher Creative and Performing Arts.
In the interest of safety, please help us out!

From time to time it’s understandable that your son or daughter may become unwell at school. We have strict procedures in place to manage these situations. This involves contact by the school administrative staff to a parent, caregiver or emergency contact person. This contact must come through the school, not directly to you from your son’s or daughter’s mobile phone. There have been some occasions when students have used their phone from a classroom (which is in breach of school policy anyway) and asked a parent to come to school to collect them. When the parent arrives, the school is unaware that the student is sick or has called the parent. Please ensure that if your child calls you, that you refer them to the front office and then contact the school to advise them of the call you have received before coming to the school.

ENGLISH FACULTY REPORT

The English Faculty would like to welcome all students back after their Christmas holiday break.

We are very pleased to welcome Ms Ingram to the English faculty as a replacement for Mr Meszner who has taken up residence in the HSIE faculty. The other members of the English Faculty are; Ms Currie as the Year 8 Adviser, Mr Dowd as Year 8 Assistant Year Adviser, Ms Back as Year 9 Adviser, Ms Robertson (who also teaches Drama) as Year 11 Assistant Year Adviser, Ms Hallam, Mrs Olive (HT Curriculum), Ms Saisithidej (EALD and English) and myself, Mrs Dickson, as Head Teacher.

All students in Years 7-10 have been issued with a brief course outline that also includes the learning expectations in English and we would appreciate if you could take a moment to look at this and sign this form. Students in Years 9 and 10 have also been issued with a note regarding film classifications and explaining the teaching of film texts in English (which is a mandatory aspect of the course).

If you ever have any queries or concerns please do not hesitate to contact your child’s English teacher or myself. We look forward to working with your children in 2016!

Mrs Rowena Dickson
Head Teacher English
St Clair High School will be building a brand new learning space in 2016. This space has been designed to encourage new ways of learning; where students learn by working together on team and individual tasks. This will help them build skills that apply not just to the classroom, but to the workplace and beyond.

Some learning spaces in the school have already been transformed to help our students take a more active, collaborative and independent role in their learning.

From 2016, all Year 7 students will have a new subject added to their timetable; “CLI - Contemporary Learning Innovation”. This new class and curriculum have been designed to incorporate inquiry based learning ideas where students will work in teams and independently on tasks that take in elements from many subject areas to solve real world problems. Students will develop skills in problem solving, and creative and critical thinking. This subject will be taught in a learning space that has been designed to enable collaborative learning which integrates technology into all they do. We know our incoming Year 7 students will be as excited as we are about working in these new spaces to become more active, independent and collaborative learners.
Bullying: Preventing and Responding to Student Bullying

St Clair School rejects all forms of bullying, including cyberbullying, that occurs on and off school premises and outside of school hours where there is a clear and close relationship between the school and the conduct of the student. Bullying is repeated verbal, physical, social or psychological behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Cyberbullying refers to bullying through information and communication technologies.

Bullying can involve humiliation, domination, intimidation, victimisation and all forms of harassment; including that based on sex, race, disability, homosexuality or transgender. Bullying of any form or for any reason can have long-term effects on those involved including bystanders.

Conflict or fights between equals or single incidents are not defined as bullying.

**St Clair High School implements an Anti-bullying plan that:**

- Promotes a shared understanding of bullying behaviour that captures all forms of bullying including cyberbullying amongst the school community.
- Strives to maintain a positive climate of respectful relationships where bullying is less likely to occur.
- Develops and implements programs for bullying prevention.
- Embeds anti-bullying messages in every year through the PDHPE curriculum, year group and formal assemblies and specialised welfare/wellbeing programs.
- Develops and implements early intervention support for students who are identified by the school as being at risk of developing long-term difficulties with social relationships.
  Develops and implements early intervention support for those students who are identified at or after enrolment as having previously experienced bullying or engaged in bullying behaviour.

**Students at St Clair High School have the responsibility to:**

- behave appropriately, respecting individual differences and diversity
- behave as responsible digital citizens
- behave as responsible bystanders
- report incidents of bullying to the classroom/playground teacher.

**Parents and caregivers have a responsibility to:**

- support their children to become responsible citizens and to develop responsible on-line behaviour
- assist their child/ren in understanding bullying behaviour
- support their children in developing positive responses to incidents of bullying
- report incidents of school related bullying behaviour to the school
  work collaboratively with the school to resolve incidents of bullying when they occur.
What should you do if you are being bullied?

- Report the bullying behavior to a classroom teacher, playground duty teacher or someone you trust such as a parent or friend. Do not respond to bullying messages on social media. Screen shot the bullying message, report to a trusted adult and ask for help to put a block on your mobile device (iPod Touch, iPad, phone) or social networking page so you don't get the bullying posts or texts.

Other suggested strategies include:

- Remain calm, leave the bullying situation and walk towards a trusted person.
- Be assertive - Use a strong and confident voice to tell the other person 'I don't like that'.
- If possible, ignore the person bullying you. When they're ignored, people who bully often lose interest. If that doesn't work, tell someone and ask for their help.
- Stay positive – think about what you like doing at school and away from school, what you are good at and the people who like you and care about you. Hang around people who help you feel good about yourself. Friends who don't bully you care about you and are fun to be around. You might also make new friends by caring about others.

MATHEMATICS NEWSLETTER

Dear parents/guardians
I’d like to take this opportunity to welcome students back to school. I hope you all had a fantastic, relaxing and enjoyable break.
Just a quick reminder for students to come to every Mathematics lesson fully prepared so they can achieve their personal best. This means they must come to every lesson with the correct equipment and it is imperative that they come to class with a scientific calculator. The school preferred calculator is Sharp. It is sold at the front office at a cost of $20 each. This calculator will see your child through to the HSC. Mobile phones will not be permitted for use as a calculator.
Here is a complete list of equipment:
Approximately 200 page exercise/ 5mm grid book. (What your child prefers)
Sharp Calculator
Geometry set
Pens: red, blue and black
Pencils: 2B or HB
30cm Ruler,Eraser,Sharpener.
If you have any concerns please contact your child’s Mathematics teacher or myself.
